Dear Parent and/or Guardian,

The Texas Education Agency published the Public Education Grant (PEG) Program list for 2025-2026 on August 19, 2025. The state's 2025-26 PEG list includes campuses that received an overall scaled score below 60 in 2023. The Texas Education Agency (TEA) has identified Lantern Lane ES, Rosa Parks ES, Walter Burton ES, Christa McAuliffe MS, Lake Olympia MS, and Thurgood Marshall HS as PEG campuses. Students who are zoned to these campuses have the choice of attending an alternate campus for the 2025-2026 school year or may remain a student at the campus.

District leaders have worked with campus leaders to develop a comprehensive instructional plan for all our students. Through this robust plan, we are working diligently to target deficiencies, close achievement gaps, and improve overall student achievement.

Under the PEG inter-district transfer provision, the parent of a student enrolled at any identified PEG campus may complete an application to transfer to a non-PEG campus. Parents will have a choice to request a transfer to the following schools based on their child's current campus. Please know that transportation is not provided to the new campus and would be the sole responsibility of the parent or legal guardian.

Identified PEG Campuses	Non-PEG Transfer Campus Options
Lantern Lane ES	Quail Valley ES, Schiff ES, Lexington Creek ES
Rosa Parks ES	
Walter Burton ES	
Christa McAuliffe MS	Quail Valley MS, Dulles MS, Fort Settlement MS
Lake Olympia MS	
Thurgood Marshall HS	Kempner HS, Crawford HS

If students choose to transfer to another campus due to PEG reasons, they are eligible to participate in UIL. Please review UIL guidelines related to PEG transfers at <https://www.uil texas.org/files/policy/2024-2025 UIL-TEA Side-by-Side.pdf>

PEG transfer requests may be completed electronically by visiting the Department of Student Affairs webpage at www.fortbendisd.com beginning Thursday, August 28, 2025.

Additional information about PEG transfers will also be available for parents and guardians to review on the Department of Student Affairs webpage. Please feel free to contact your campus if you have further questions. The faculty and staff are committed to continuing student success and ensuring a quality education for all students.

Sincerely,

Department of Student Affairs
