EWALLET

Our Book Fair is a CASH-FREE event. In lieu of cash, a payment option called eWallet is available for all students. eWallet gives students a secure, cash-free way to shop the fair. There is no charge to set up eWallet. Parents simply create an account and authorize a spending limit on their credit card.

Key Features:

- Secure way to give kids money to buy books
- Pre-authorized amount to control spending

Credit cards and eWallet are the preferred book fair payment options at ASE.

- Setup your child's eWallet account early! Parents can setup and manage funds between September 4 - October 10, 2025.

- Scan QR code to get started. Or visit our Book Fair Homepage:

- **Print Your Child's eWallet** - To help us make the most of your child's short library visit during the Book Fair, please print your child's eWallet and send it with them on their book fair day.
- **Why print it?** - Printed eWallets help us check students out quickly and avoid delays—especially since many classes visit back-to-back!
- **Student Badges** - Students are expected to wear their badges every day—including during the Book Fair! Badges help us quickly verify student identity and keep checkout running smoothly during their short library visit.

Please make sure your child wears their badge to school, especially on their library day.
