This Agreement is between _____ (the "Parent and/or Legal Guardian," "I", "my"), on behalf of _____ (the "Student"), and the Fort Bend Independent School District ("FBISD" or the "District") for the Student to participate in FBISD's Global Initiative exchange trip to Host Country (China Taiwan Germany) on _____ for the "Program").

This Agreement includes a Waiver and Release of Liability. See Section 6 below.

Please carefully read this Agreement in its entirety. You and the Student must sign indicating your agreement in the space provided in Section 7.0. You must also sign and complete Form A, Health Care Disclosure, and Form B, Emergency Contact Information. Failing to sign this Agreement and/or failing to complete the attached forms may result in the Student's inability to participate in the Program.

1.0 GENERAL TERMS

The Host Country requires the Student to carry his or her valid U.S. passport and Host Country VISA at all times. These requirements are strictly enforced by the Host Country.

FULL AND FINAL PAYMENT FOR THE PROGRAM IS DUE BY **OCTOBER 10, 2017**.

The Student will not be able to participate in the Program, if the Cost of Program is not paid in full by this date. I acknowledge that the failure to pay by the set deadlines may result in dismissal from the Program and forfeiture of previously paid installments.

3.0 CODE OF CONDUCT AND PROGRAM EXPECTATIONS

3.1 Program Rules and Standards: While participating in the Program, the Student is a representative of FBISD, the State of Texas, and the United States, and the Student shall act accordingly. I understand FBISD reserves the right to impose any rules or standards that it announces to its participants in the Program.

3.1.1 The Student shall comply with all rules and regulations of the various governmental and commercial agencies (*i.e.*, airlines, hotels, bus companies, etc.) in the United States and in the Host Country.

- 3.1.6 The Student will participate in all planned activities (unless excused by a chaperone) and will keep an open mind and positive attitude about his or her surroundings and cultural differences while abroad.

3.2 Actions Forbidden: As a condition of participation in the Program, the Student agrees to not drive a motorized vehicle or ride on a motorcycle or a moped during the Program. The Student shall not be involved in any way with tobacco, alcohol, illegal drugs, vandalism, theft, or any other type of behavior that is judged by FBISD and/or the chaperones to be detrimental to the health, well- being, safety, or reputation of himself or herself.

3.3 Violations: Any violation of the rules and standards outlined in this Section, as determined by FBISD in its sole discretion, could result in immediate dismissal from the Program, immediate transportation home, and additional disciplinary action upon the Student's return. **Costs due to Student's dismissal from the Program or unscheduled return transportation shall be at the Parent/Legal Guardian's sole expense, and any unused portions of the Student's Program Cost shall be non-refundable.**

4.3 I acknowledge and certify that I know of no medical reason why the Student should not participate in the Program.

5.0 HEALTH AND SAFETY

5.1 Pre-Departure Arrangements: It is the Parent/Legal Guardian's responsibility to consult with the Student's physician prior to departure to obtain any vaccination(s), prescription(s), and/or medication the Student will need for the duration of the Program. It is also the Parent/Legal Guardian's responsibility to research the laws of the Host Country regarding medications the Student plans to take into the country.

5.2 Medication: The Student shall carry his or her prescription medication, if any, in original packaging along with the prescription. Many commonly-used U.S. drugs and medication are not available in the Host Country, and it may be difficult to have medications sent to the Student from outside of the Host Country. I acknowledge that if I try to do so, I may encounter difficulty getting them released by Host Country Customs and/or it may result in the incurrence of high customs duties.

5.3 Insurance: It is the Parent/Legal Guardian's responsibility to inquire and become familiar with his or her international health care coverage policy, such as the type of limitations of coverage, amount of deductible or co-pay, and protocol in case of a medical emergency.

5.5 Medical Treatment & Expense: I authorize FBISD to arrange for medical care and treatment for the Student if the Student becomes ill or incapacitated, without incurring any liability. I authorize FBISD and/or its authorized agents to take actions it deems necessary, including securing medical treatment and transporting the Student to the United States, all at my own expense. FBISD and its authorized representatives shall take any action deemed necessary to protect the Student's mental and/or physical health, at the Parent/Legal Guardian's expense. Actions include, but are not limited to: placing the Student under the care of a medical doctor; hospital admittance; medical examination; and/or medical treatment. In the event of an emergency, the District shall notify the

persons listed on Form B, Emergency Contact Information and will attempt to contact said persons prior to any involved treatment to explain the nature of the problem if feasible to do so. Should the need arise, FBISD and/or its representatives are authorized to provide any personal information to the health care provider. After medical attention has been administered, FBISD representatives have the sole discretion to require the Student to return to the United States before completion of the Program at the Parent/Legal Guardian's expense.

5.6 In the event the Student should return to the United States before completion of the Program, I understand that I cannot recover any money paid for and/or in connection with the Program. I further agree and understand that I am responsible for all medical costs associated with the Program.

6.2.3 **It is my express intent that this covenant not to sue and agreement to hold harmless shall bind the members of my family** and spouse, if I am alive, and my heirs, assigns, and personal representatives if I am deceased, and shall be governed by the laws of the State of Texas. It is agreed with respect to any legal limitations now or hereafter in effect and affecting the validity or enforceability of the indemnification obligation, such legal limitations are made a part of the indemnification obligation to the minimum extent necessary to bring the provision into conformity with the requirements of such limitations, and as so modified, the indemnification obligations shall continue in full force and effect.
