

Character Traits of the Month: Fairness & Justice

This month, we're focusing on two important values that help our Wildcats grow into kind, thoughtful citizens — fairness and justice. These ideas go beyond simply "following the rules." They're about treating others with respect, standing up for what's right, and understanding that everyone deserves to be heard and valued.

For children, FAIRNESS often starts with sharing toys or taking turns. As they grow, their understanding deepens — they begin to notice when things aren't equal or when someone is treated unfairly. This is a wonderful time to talk about how fairness sometimes means everyone gets what they need, not always the exact same thing.

JUSTICE helps kids see the bigger picture — that fairness applies not only at home and school, but also in our communities and the world. Kids naturally care about right and wrong, and they often have a strong sense of empathy. You can nurture that by helping them recognize unfairness and encouraging them to think of positive ways to help. Check out these amazing stories about Fairness and Justice!!

GT Testing Info

This month (November 3-14) students who were referred for GT testing will be assessed during the school day.

Please help your child prepare with a good night's sleep, a healthy breakfast, and a calm mindset. There is no need to "study" as this is an assessment of the student's natural ability.

Also, make sure that you have completed the parent inventory that is in the GT app. The testing results should be available around the 2nd week in February. If you have any questions please feel free to contact me by phone or email.

Dress Up Days!

Generation Texas Week

Nov. 17th - 21st

Dream big and start brainstorming for your future after high school!

Gratitude Monday:

Thank you, teachers for leading us towards a successful future! Write a thoughtful note or draw a picture to show thanks and wear your teachers' favorite color.

Agriculture Tuesday:

Dress like a farmer: overalls, boots, & a cowboy hat.

Bright Wednesday:

Your future is bright! Wear a college shirt and sunglasses!

Military Thursday:

Wear camouflage to show support for all the branches of the military.

S.T.E.A.M. Friday:

Dress up as a mad scientist, avid reader, creative artist, talented musician, medical personnel, or brainy engineer!
