Bullying Prevention Month

Hello Longhorn Families! Last month we learned about friendship and this month we will learn about **integrity**. We will focus on how it is important to make the choice to be truthful in whatever we say or do.

Some ways we can encourage our Longhorns to use **integrity** are by teaching them to apologize when they realize they've offended someone, returning something they find that is not theirs, always telling the truth with their words and actions and by only using their words to spread kindness. Lastly, being respectful and understanding that we are all different. We will also have activities students can also complete in our virtual classroom and on campus to help promote integrity and unity.

Please feel free to contact us with any questions or concerns, we will be happy to help!
