

## NAME CHANGE FORM

---

For an employee to change his/her name on official FBISD records, both of the following documents must be presented **in person** at the Human Resources office.

1. An **original social security card** showing the **employee's** new name.
2. An **original valid photo ID** (ex. Driver's License) showing the employee's new name.

Providing original documentation to Human Resources in person helps protect employees from identity theft and ensures that earnings are reported correctly to TRS.

You may wish to change your beneficiary as listed with TRS and on various benefit plans. You can also change your status of exemptions for tax purposes by completing a new W-4 form.
