

Fort Bend ISD Family Access Request Form

Family Access is available for families with student(s) enrolled in FBISD. This is an important tool to ensure continued success of your student(s). With proper verification and the issuance of a Family Access Login, you will have the opportunity to view your student(s) grades, absences, assignments and their overall progress.

The parent or legal guardian(s) must **fill out** and **print** this form. **Only one form per family** is required. You, the parent or legal guardian, will be required to submit this form in person to a campus that one of your student(s) attends and show a valid government issued picture ID.
