

Supply List

Listed below is the general school supply list for all students attending Fort Bend ISD middle schools. Please note some items on this list may need to be replenished during the year.

IMPORTANT NOTES for 2020-21: The FBISD school supply list for the coming school year has been adjusted to represent a list of general school supplies students will need while in online and/or face-to-face instructional modes while attempting to reduce potential economic impact for families. As an impact of COVID-19, students should not be sharing school supplies with other students. Please label all personal belongings. Safety supplies such as hand sanitizer and face covering/masks will be provided while at school, and students are welcome to bring their own sanitizer and/or face covering for personal use as well.

Teachers may share additional supply needs during the school year, which might include items such as binders, composition or spiral notebooks, pocket folders, index cards, or other items for instructional use. Please consult your child's campus for any specific details pertaining to his/her grade.
