Ms. McGaughey (Ms. Mac)

Welcome to 1st Grade!

I am happy to welcome you to the 2020 – 2021 school year at Brazos Bend Elementary! I am looking forward to having your child in my class. In order to have a great year, my most important goal is to create a family of learners in my classroom.

I am committed to creating an environment where your child is a valued, trusted, and an integral part of our family of learners. Each student has a unique learning style, personality, and talents. I look forward to challenging each student to go above and beyond, so that they may have an amazing, successful year! It is my hope that you will support and encourage this vision at home.

About Me

My students and their families call me Ms. Mac. I was born and raised here in Texas. I absolutely love teaching, and am always excited to get to know and love all of my students!

I graduated from Texas A&M University with a Bachelors in Architecture. In 2009, I received my EC-4th teaching certificate from the University of Houston. I have taught preschool, kindergarten, 1st grade, 3rd grade, and 4th grade. This will be my 12th year of teaching! 😊
