FEATURED PHOTO: The Education Foundation presented new FBISD teachers with gift bags of supplies, valued at \$150, that they can use from Day One!

BACK TO SCHOOL 2022

The 2022-23 school year has gotten off to a great start! We're putting your donation dollars to work as we present annual programs/events to support our FBISD teachers and students. Last week, we supplied 300 new teachers with gift bags of supplies during the district's New Teacher Orientation. We will soon see results of the 216 grants funded in May, as returning teachers begin receiving and utilizing the classroom materials they requested.

As added support for teachers and families, we are asking your help in raising funds for our Adopt a New Teacher and Equip a Student campaigns. Any donation will help make a difference and ease the burden caused by a strained economy.

As always, many thanks for your support of the Education Foundation! We look forward to an exciting school year!

 Teachers face many challenges throughout their careers and deciding how to fund classroom material should not be one of them. Did you know teachers spend at least \$459 each year on instructional materials needed to educate our children? Let's help break the cycle and Adopt a New Teacher.
