

We are back again and ready to present a great line-up of fundraising events, awards and gifts to benefit our Fort Bend ISD teachers and students! We kicked off the year by presenting 300 gift bags to our new teachers at the New Teacher Orientation. It's always refreshing to see excited teachers prepare for a new school year!

Next up is our annual Back to School Scramble golf tournament on September 11! The event is sold out, but you can read ahead on how you can still participate. This is our first official event of the school year, and we're always happy to see new and returning faces!

If you aren't aware, we raised \$769,574 last school year to fund grants to teachers and schools, new teacher gifts, professional development opportunities, pass-through grants and the Be a Bright Light for Homeless Students campaign. We're looking forward to seeing the funded grants in action and what our backing has provided for students. In fact, you can read about our featured grant from Kempner High School in this newsletter.

We hope you enjoy this issue! We also look forward to your support as we work to provide opportunities to enrich and enhance the quality of education for all FBISD students. Welcome to the new school year!

Adopt a New Teacher

To donate, visit
<https://fortbendisd.ejoinme.org/adoptanewteacher>

Through the Adopt a New Teacher program, the Fort Bend Education Foundation uses your generous donations to provide new Fort Bend ISD teachers with a gift bag of supplies and gift cards to help outfit their classrooms from day one.

The gift bag (valued at \$150) is a token of appreciation and helps offset expenses teachers personally take on to provide materials for their students.

You can help with this effort and Adopt a New Teacher today!

Grant In Action

Spotlighting Kempner High School

Be You, Be Still (A Calming Space for All)

As an added bonus for students this year, Kempner High School's counseling team transformed their office into a space for students to use when they're not in class. The team received \$4,992.46 to fund their school site grant, *Be You, Be Still (a calming space for all)*. They purchased Fiber Optic Corner Shower Lighting, a Sensory Room Aromatherapy Bundle, round bean bag chairs and soft seating for the space. The new space also includes sand trays, journals, self-reflection books and stress manipulatives. The space helps students self-regulate when they are over-stimulated, angered or stressed. The peaceful environment will help increase academic achievement, decrease undesirable outbursts and have students leave calm and renewed.

A large illustration at the top of the poster shows various career paths: a chef, a veterinarian, a firefighter, a construction worker, a business professional, and a person working at a computer. Below this, a dashed line leads to a group of graduates holding a sign that says 'We did it!!'. The text 'Starting a Successful Career!' is next to the graduates. At the bottom, a group of children is shown with the text 'Enrolling in an FBISD school!'. The background is light blue with a white dashed line connecting the milestones.
