

Have a Heart and Support the Education Foundation's Annual Giving Campaign

Are you thinking about your end of year giving? Consider donating to the Fort Bend Education Foundation's Annual Giving Campaign! Each dollar donated and raised supports the Education Foundation's grants to teachers and schools program, new teacher gifts, staff development programs and more!

Consider donating today at <https://bit.ly/FBEFANNUALCAMPAIN> or text FBEFDONATE to 41444.

Donations are tax deductible.

Happy Holiday Season! As a reminder, the Education Foundation Office will be closed December 19 through January 2 for the FBISD Winter Holiday Break.

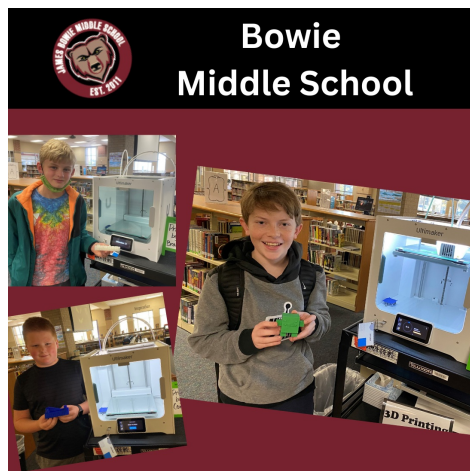

Gala 2023: An Enchanted Forest Coming March 4

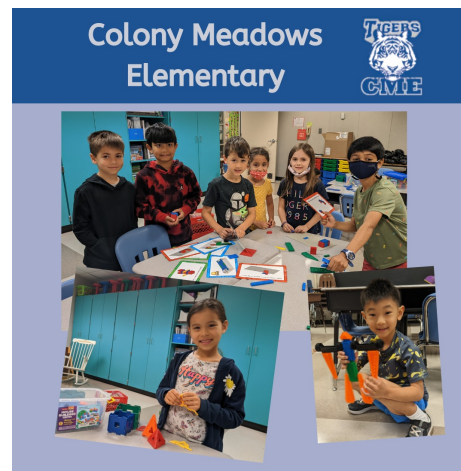

Mark your calendars for March 4, 2023, and plan on joining us at the Houston Marriott Sugar Land for our 30th annual gala, An Enchanted Forest! Come and help us raise funds for our Fort Bend ISD teachers and schools, while enjoying a seated dinner, live and silent auctions and dancing to the music of Password! Tickets go on sale in January! Grants in Action

Featuring Bowie MS and Colony Meadows ES

Not Your Grandma's Library
 Bowie Middle School's library provides various resources and opportunities for students to explore and apply the information they acquire by completing innovative STEM projects. With \$4,876 in funding for her school site grant, "Not Your Grandma's Library," Shelly Puckett purchased a 3-D printer and supporting hardware for all students to access. Students use the printer to create projects promoting skills and interests in robotics, architecture, medical sciences and other content areas.

Generating Geniuses
 During "Genius Hour," Colony Meadows Elementary first grade students take part in hands-on, open-ended activities to promote critical thinking and problem-solving skills. Given a \$1,491 teacher grant, first-grade team members purchased learning materials – including Snap-Bots, Log Builders and Playstix – to help students explore, build, discover, and create masterpieces to enhance their learning. Students design robots or build bridges, vehicles, houses and other creative projects.
