ECHS/P-TECH Student Application

Fort Bend ISD is excited to introduce Early College High School (ECHS) and Pathways in Technology Early College High School (P-TECH) programs, beginning in the 2019-20 school year. These programs are open to all current FBISD 8th grade students, beginning their freshman year of high school through their senior year. The programs to which students may apply include:

* Early College High School at Marshall High School that features coursework applicable to any degree program.

* Pathways in Technology (P-TECH) at Hightower High School - Health Sciences that features coursework focused on specific health science degree plans.

* Pathways in Technology (P-TECH) at Willowridge High School - Computer Programming that features coursework focused on specific computer programming degree plan.
