Health protocols for customers:

- ☐ Consistent with the actions taken by many individuals across the state, and because of the close proximity between individuals inside cosmetology salons, consider wearing cloth face coverings (over the nose and mouth) except when it interferes with the service being provided. If available, individuals should consider wearing non-medical grade face masks. Wearing a mask is of utmost importance because of the close proximity between individuals in these settings.
- ☐ Maintain at least 6 feet of separation from other individuals. If such distancing is not feasible, other measures such as face covering, hand hygiene, cough etiquette, cleanliness, and sanitation should be rigorously practiced.
- ☐ Self-screen before going into a cosmetology salon for any of the following new or worsening signs or symptoms of possible COVID-19:
