

2020-2021

## Mary Austin Holley Elementary

# Our Statement of Purpose

A partnership of school, family, and community will foster a positive attitude in the entire Mary Austin Holley Elementary School community. Through the effective involvement of all stakeholders, we will achieve our Campus Improvement Goals and improve student achievement. We will use our Title I resources to provide parent information and meetings in English and Spanish virtually and face to face. Mary Holley is making a positive difference in each child’s life by equipping them to be leaders and lifelong learners. Mary Holley exists to work together to nurture opportunities and to celebrate each child’s growth and success.

NOTE: Due to the COVID\_19 Pandemic, and for the safety of parents, staff, and students, many of our ON CAMPUS annual meetings /events/workshops may potentially be cancelled or offered virtually.
