

Fort Bend ISD will offer the Prekindergarten program at 40 sites during the 2023-24 school year. Fort Bend ISD uses designated prekindergarten feeder patterns to help ensure students have access to the program in neighborhoods located near their homes. Below are definitions of the terms that are used when reading the Prekindergarten feeder pattern information.

Home Campus: This is your child's assigned campus for kindergarten through 5th grade based on your home address (except for some bilingual and/or special education programs).

Prekindergarten Program Campus for English/ESL: This is your child's Prekindergarten campus based on your child's Prekindergarten program eligibility. Instruction will be delivered in English with additional differentiated support for language learners who qualify for English as a Second Language (ESL).

Prekindergarten Program Campus for Bilingual (Spanish): This is your child's Prekindergarten campus if your child qualifies for the bilingual program. Instruction will be delivered in Spanish and English.

Prekindergarten Tuition-Based for FBISD Community Members: A program available to four-year-old children who reside in FBISD and do not qualify for the PreK program. Tuition-Based campuses prioritize registering neighborhood students who qualified for the Pre-K program before enrolling tuition-based children. A limited number of seats are assigned for Tuition-based at these campuses on a first-come-first-served basis. In the chart below, this symbol □ identifies tuition-based campuses for the 2023-24 school year.
