

During 2025-26, Fort Bend ISD will offer the Prekindergarten Four (Pre-K 4) program at 45 sites. Pre-K 4 is primarily offered to children who reside in the Fort Bend ISD boundaries, are four years of age on or before September 1, 2025, and qualify for the program for at least one of the state-set criteria. During the same school year, Fort Bend ISD will offer Prekindergarten Three (Pre-K 3) at one site. Same as Pre-K 4, this program serves residents of Fort Bend ISD. In Pre-K 3, children must be three years of age on or before September 1, 2025, and qualify for the program for at least one of the state-set criteria.

Fort Bend ISD uses designated prekindergarten feeder patterns to help ensure students access the program in neighborhoods near their homes. Remember that not all elementary schools in FBISD currently offer the prekindergarten program. Below are definitions of the terms used when reading the information on the prekindergarten feeder pattern.

Home Campus: This is your child’s assigned kindergarten through 5th-grade campus based on your home address (except for some bilingual and/or special education programs).

Prekindergarten Program Campus for English/ESL: This is your child’s Prekindergarten campus based on your child’s Prekindergarten program eligibility. Instruction is delivered in English with additional differentiated support for language learners who qualify for English as a Second Language (ESL).

Prekindergarten Program Campus for Bilingual Spanish (One Way Dual Language model): This is your child’s Prekindergarten campus if your child qualifies for the bilingual Spanish program (one-way dual language or OWDL). Instruction is delivered in Spanish and English.

Prekindergarten Tuition-Based for FBISD Community Members: A program available to four-year-old children who reside in FBISD and do not qualify for the PreK program. Tuition-based campuses prioritize registering neighborhood students who qualify for the Pre-K program before enrolling tuition-based children. A limited number of seats are assigned for Tuition-based at these campuses on a first-come-first-served basis. In the chart below, this symbol □ identifies tuition-based campuses for the 2025-26 school year.
