□ Prekindergarten Tuition-Based for Non-Employees ^ New Pre-K Campus 2026-27			*Open Enrollment for Non-FBISD Residents Non-Pre-K program campus	

This guide explains the terms used in the chart, so you can easily understand where your child may attend a Pre-K program in Fort Bend ISD. *Not all FBISD schools offer Pre-K programs. Feeder patterns help place students at a campus close to home, based on campus space.*

### Who Can Attend FBISD Pre-K Programs?

**Pre-K 3 Head Start:** Children must be three years old on or before September 1, 2026, and must meet Head Start eligibility only. Students must reside in one of the participating campus zones.

**Pre-K 4:** Children must be four years old on or before September 1, 2026, live in Fort Bend ISD, and meet at least one state requirement to qualify.

#### Home Campus

Your child's assigned elementary school is for kindergarten through 5th grade based on your home address. Prekindergarten, some bilingual or special education programs may be assigned differently.

#### English/ESL Pre-K Program Campus

The school your child will attend for Pre-K is the one that they qualify for, whether it is the English or ESL program.

- Instruction is in English.
- Students learning English receive extra support.

#### Bilingual Spanish (One-Way Dual Language) Pre-K Program Campus

The school your child will attend if they qualify for the Spanish bilingual program.

- Instruction is in both Spanish (90%) and English (10%).
- This applies to both Pre-K 3 and Pre-K 4.

#### Tuition-Based Pre-K (Pre-K 4 Only)

For children who live in FBISD but **do not** qualify for free Pre-K 4.

- Schools enroll qualifying students first.
- A limited number of tuition seats are available.
- Seats are filled **first-come, first-served**.
- In the chart, the symbol □ shows tuition-based campuses for the 2026–27 school year.
