Speed Test

Check Internet Speed

Introduction

Audience: FBISD Parents, Students and Staff. Purpose: Check the speed of the Internet.

Important Note

If using Global Protect Connection (VPN), please make sure to disconnect before running the speed test. On the bottom right corner of the desktop, click on the arrow pointing up.

Step 1

A. Visit <u>https://www.speedtest.net/</u>, then click "Go". The wheel will start connecting.
