

HOW TO CONNECT YOUR LENDING LIBRARY IPAD TO WI-FI

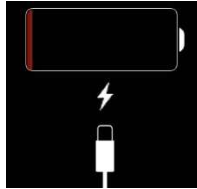

To use your district iPad, you must first join your home or hotspot Wi-Fi

1. Power on your iPad by pressing the button located right above the rear camera.

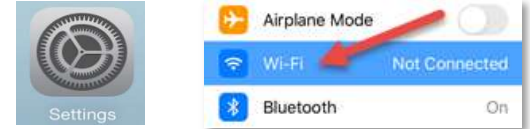

Power Button

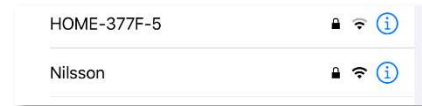

2. If the battery is too low you will need to charge your iPad for a few minutes before it will turn on.

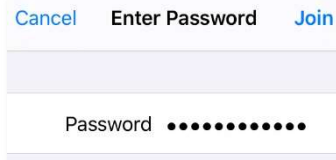

3. Tap on the Settings icon then tap on Wi-Fi.

4. Select your wireless network from the list.

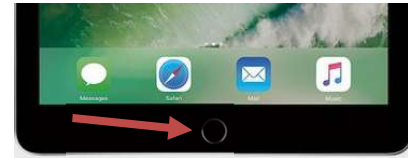

5. Enter your Wi-Fi password when prompted and tap Join.

6. You should now see a blue checkmark indicating that you are connected to your wi-fi.

7. You can now press the Home Button and begin using your FBISD iPad.
