

## School Boundary Oversight Committee Members 2022-23

The SBOC is comprised of representatives (parents and community members) from each high school feeder pattern. The purpose of the committee is to review student enrollment projections and provide input regarding school boundary recommendations. The SBOC will also be involved with gaining community input on any proposed school boundary recommendations by holding public hearings in any areas that could be affected.

High School Feeder Pattern	First Name	Last Name	Role (ES, MS, HS Parent, or Community Member)
Austin	Sharmia	Jones	ES/MS
Austin	Benjamin	Lohmer	Community
