

Dear Parents of identified Gifted & Talented students,

We are Tina Ojo and Sharon Thorne-Green your Gifted and Talented Parent Advisory Committee (GT PAC) representatives from **Travis High School**. We are reaching out to introduce ourselves to all you wonderful parents and caretakers. We are proud parents of students at Travis High School. Information is the key for success, so we wanted to let you know that we are here to help you out if you have any questions about the gifted & talented program.

The GT PAC is working very hard to increase the flow of information, so that you, as parents or caretakers, get the information you need to support your students. We are also aiming to increase GT parent participation so that we can have a strong and effective GT community. Our school is entitled to have three representatives on the GT PAC. Currently, we only have two. If you are interested in serving as the third representative from our campus, please email fbisdgtpac@gmail.com.

We welcome all our GT families and look forward to helping this year. Don't hesitate to get in touch if you need any additional support.
