

2021 -2022 NEILL ELEMENTARY GT CLUB

This year, Neill will be offering a **GT Club** specifically geared to the needs of the campus's identified GT students. This club will enable students to work with their GT peers, help facilitate the TPSP project, and offer guidance for the GT Learning Plans.

Students will meet twice a month to engage in STEAM challenges and check in on the progress of their projects. The club will meet on the **1st and 3rd Monday of each month from 4-5:30**, beginning **Oct. 4th**. The GT club is optional. Students who cannot attend will still qualify for the FBIISD GT program as long as they complete the required TPSP project this year. Teachers will continue to facilitate projects in the classroom.

More information will be given on the **Neill GT Schoology Group, Neill GT Webpage**, and at the **Virtual GT Parent Night on Wednesday, Sept. 29th @ 5:30 p.m.** Details and links below:
