

WANT DISNEY

Walt Disney

A white rectangular box containing a black and white portrait of Walt Disney. To the left of the portrait is a vertical decorative bar with a yellow sun and blue waves. To the right is a small illustration of a house.

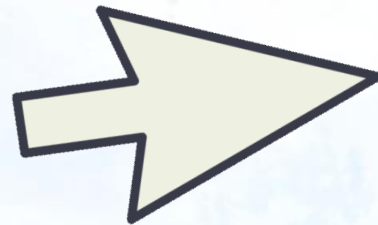

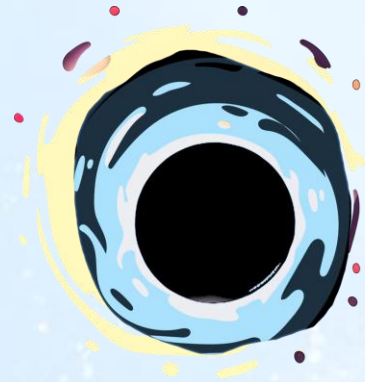

Why I chose Walt Disney

Walt Disney made history with synchronized sound in cartoons, made Mickey, and is one of my most favorite animators.

Key Facts & Accomplishments

- Walt Disney made the first films with synchronized sound in 1928 in *Steamboat Willie*.
- He created film Technicolor in 1932.
- His first time making a full color motion picture in 1932 was *Flowers and Trees*

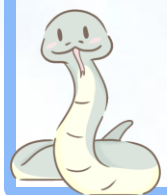

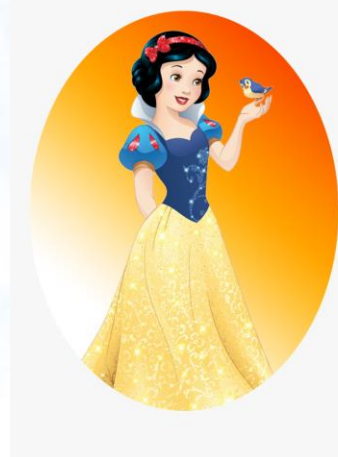

SPECIAL
REPORT
