

Fort Bend ISD 2018 Capital Plan
Educational Adequacy, Facilities & Life Cycle Deficiencies
Detail by Locations Phase 1 & 2

Level	Location	Description	Phase 1 2018	Phase 2 2021
Elementary School	Armstrong Elementary	Place fill and regrade around school.	✓	
Elementary School	Armstrong Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Armstrong Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Armstrong Elementary	Replace condenser water pumps and provide variable frequency drives (VFDs).	✓	
Elementary School	Armstrong Elementary	Replace electric drinking fountains with water fountain bottle fillers per District standard.	✓	
Elementary School	Armstrong Elementary	Replace existing exterior waterproofing/sealant joints.	✓	
Elementary School	Armstrong Elementary	Replace refrigerant monitoring system.	✓	
Elementary School	Armstrong Elementary	Set inlet to grade fill and regrade to improve drainage.	✓	
Elementary School	Armstrong Elementary	Paint condenser water piping.		✓
Elementary School	Armstrong Elementary	Provide new marquee appropriately located near front entry.		✓
Elementary School	Armstrong Elementary	Repair minor cracking in drywall partition at main hallway near office.		✓
Elementary School	Armstrong Elementary	Replace concrete sidewalk at numerous locations.		✓
Elementary School	Armstrong Elementary	Replace exterior lights with LED lighting.		✓
Elementary School	Armstrong Elementary	Replace parking lot pavement at numerous locations.		✓
Elementary School	Austin Parkway Elementary	Add fire sprinkler system.	✓	
Elementary School	Austin Parkway Elementary	Infill masonry and concrete wall cracks with epoxy sealants. Recaulk joints where necessary.	✓	
Elementary School	Austin Parkway Elementary	Power wash exterior surfaces.	✓	
Elementary School	Austin Parkway Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Austin Parkway Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Austin Parkway Elementary	Renovate existing restrooms.	✓	
Elementary School	Austin Parkway Elementary	Replace chilled water pumps and provide variable frequency drives (VFDs).	✓	
Elementary School	Austin Parkway Elementary	Replace cooling tower media.	✓	
Elementary School	Austin Parkway Elementary	Replace electric drinking fountains with water fountain bottle fillers per District standard.	✓	
Elementary School	Austin Parkway Elementary	Replace exhaust fans.	✓	
Elementary School	Austin Parkway Elementary	Replace existing exterior waterproofing/sealant joints.	✓	
Elementary School	Austin Parkway Elementary	Replace existing flooring and base throughout facility excluding stage and athletic areas.	✓	
Elementary School	Austin Parkway Elementary	Replace existing metal roof system per District standards.	✓	
Elementary School	Austin Parkway Elementary	Replace existing window system, remove brick and waterproof rough opening.	✓	
Elementary School	Austin Parkway Elementary	Replace lined ductwork.	✓	
Elementary School	Austin Parkway Elementary	Replace refrigerant monitoring system.	✓	
Elementary School	Austin Parkway Elementary	Replace waste piping in locker room.	✓	
Elementary School	Austin Parkway Elementary	Replace water softener.	✓	
Elementary School	Austin Parkway Elementary	Paint all existing previously painted exterior surfaces.		✓
Elementary School	Austin Parkway Elementary	Paint all existing previously painted interior surfaces. Repair/patch walls prior to painting.		✓
Elementary School	Austin Parkway Elementary	Provide new furniture, fixtures and equipment.		✓
Elementary School	Austin Parkway Elementary	Provide new marquee appropriately located near front entry.		✓
Elementary School	Austin Parkway Elementary	Replace concrete sidewalk at numerous locations.		✓
Elementary School	Austin Parkway Elementary	Replace interior lights with LED lighting and lighting controls.		✓
Elementary School	Austin Parkway Elementary	Replace parking lot pavement at numerous locations.		✓

Fort Bend ISD 2018 Capital Plan
Educational Adequacy, Facilities & Life Cycle Deficiencies
Detail by Locations Phase 1 & 2

Level	Location	Description	Phase 1 2018	Phase 2 2021
Elementary School	Barrington Place Elementary	Place fill and regrade around school.	✓	
Elementary School	Barrington Place Elementary	Power wash exterior surfaces.	✓	
Elementary School	Barrington Place Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Barrington Place Elementary	Provide direct digital controls (DDC).	✓	
Elementary School	Barrington Place Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Barrington Place Elementary	Repair existing broken and cracked exterior wall cladding.	✓	
Elementary School	Barrington Place Elementary	Replace boiler.	✓	
Elementary School	Barrington Place Elementary	Replace central station air handling units and provide direct digital controls (DDC).	✓	
Elementary School	Barrington Place Elementary	Replace chilled water pumps and provide variable frequency drives (VFDs).	✓	
Elementary School	Barrington Place Elementary	Replace chiller.	✓	
Elementary School	Barrington Place Elementary	Replace cooling tower.	✓	
Elementary School	Barrington Place Elementary	Replace electric drinking fountains with water fountain bottle fillers per District standard.	✓	
Elementary School	Barrington Place Elementary	Replace exhaust fans.	✓	
Elementary School	Barrington Place Elementary	Replace existing exterior waterproofing/sealant joints.	✓	
Elementary School	Barrington Place Elementary	Replace existing stage curtain.	✓	
Elementary School	Barrington Place Elementary	Replace existing window system, remove brick and waterproof rough opening.	✓	
Elementary School	Barrington Place Elementary	Replace generator and install a housekeeping pad.	✓	
Elementary School	Barrington Place Elementary	Replace refrigerant monitoring system.	✓	
Elementary School	Barrington Place Elementary	Replace security system.	✓	
Elementary School	Barrington Place Elementary	Replace switchgear.	✓	
Elementary School	Barrington Place Elementary	Paint all existing previously painted exterior surfaces.		✓
Elementary School	Barrington Place Elementary	Paint all existing previously painted interior surfaces. Repair/patch walls prior to painting.		✓
Elementary School	Barrington Place Elementary	Provide new furniture, fixtures and equipment.		✓
Elementary School	Barrington Place Elementary	Provide new marquee appropriately located near front entry.		✓
Elementary School	Barrington Place Elementary	Renovate existing restrooms.		✓
Elementary School	Barrington Place Elementary	Replace interior lights with LED lighting and lighting controls.		✓
Elementary School	Barrington Place Elementary	Replace parking lot pavement at numerous locations.		✓
Elementary School	Blue Ridge Elementary	Add perimeter sidewalk around building.	✓	
Elementary School	Blue Ridge Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Blue Ridge Elementary	Provide direct digital controls (DDC).	✓	
Elementary School	Blue Ridge Elementary	Provide new furniture, fixtures and equipment.	✓	
Elementary School	Blue Ridge Elementary	Provide new room graphics and way-finding signage.	✓	
Elementary School	Blue Ridge Elementary	Provide new way-finding site signage.	✓	
Elementary School	Blue Ridge Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Blue Ridge Elementary	Refinish stage flooring.	✓	
Elementary School	Blue Ridge Elementary	Renovate and expand existing kitchen per District standards.	✓	
Elementary School	Blue Ridge Elementary	Renovate existing restrooms.	✓	
Elementary School	Blue Ridge Elementary	Replace (2) playgrounds.	✓	
Elementary School	Blue Ridge Elementary	Replace boilers.	✓	
Elementary School	Blue Ridge Elementary	Replace central station air handling units and provide direct digital controls (DDC).	✓	

Fort Bend ISD 2018 Capital Plan
Educational Adequacy, Facilities & Life Cycle Deficiencies
Detail by Locations Phase 1 & 2

Level	Location	Description	Phase 1 2018	Phase 2 2021
Elementary School	Blue Ridge Elementary	Replace chilled water piping.	✓	
Elementary School	Blue Ridge Elementary	Replace cold and hot water piping.	✓	
Elementary School	Blue Ridge Elementary	Replace domestic water heater.	✓	
Elementary School	Blue Ridge Elementary	Replace existing exterior waterproofing/sealant joints.	✓	
Elementary School	Blue Ridge Elementary	Replace existing flooring and base throughout facility excluding stage and athletic areas.	✓	
Elementary School	Blue Ridge Elementary	Replace existing roof system per District standards.	✓	
Elementary School	Blue Ridge Elementary	Replace existing stage curtains.	✓	
Elementary School	Blue Ridge Elementary	Replace fire alarm system.	✓	
Elementary School	Blue Ridge Elementary	Replace lined ductwork.	✓	
Elementary School	Blue Ridge Elementary	Replace metal canopies.	✓	
Elementary School	Blue Ridge Elementary	Replace security system.	✓	
Elementary School	Blue Ridge Elementary	Replace sound system at stage.	✓	
Elementary School	Blue Ridge Elementary	Install shade cover over hardtop play surface.		✓
Elementary School	Blue Ridge Elementary	Paint all existing previously painted exterior surfaces.		✓
Elementary School	Blue Ridge Elementary	Repair outside plaster column wraps and paint to finish adjacent.		✓
Elementary School	Blue Ridge Elementary	Replace concrete pavement at numerous locations.		✓
Elementary School	Blue Ridge Elementary	Replace concrete sidewalk at numerous locations.		✓
Elementary School	Blue Ridge Elementary	Replace interior lights with LED lighting and lighting controls.		✓
Elementary School	Brazos Bend Elementary	Power wash exterior surfaces.	✓	
Elementary School	Brazos Bend Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Brazos Bend Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Brazos Bend Elementary	Replace boiler.	✓	
Elementary School	Brazos Bend Elementary	Replace electric drinking fountains with water fountain bottle fillers per District standard.	✓	
Elementary School	Brazos Bend Elementary	Replace exhaust fans.	✓	
Elementary School	Brazos Bend Elementary	Replace existing built-up gravel roof system per District standards.	✓	
Elementary School	Brazos Bend Elementary	Replace existing exterior waterproofing/sealant joints.	✓	
Elementary School	Brazos Bend Elementary	Replace existing metal panel roof system per District standards.	✓	
Elementary School	Brazos Bend Elementary	Replace existing stage curtain.	✓	
Elementary School	Brazos Bend Elementary	Replace fire alarm system.	✓	
Elementary School	Brazos Bend Elementary	Replace heating hot water pump and provide variable frequency drive (VFD).	✓	
Elementary School	Brazos Bend Elementary	Replace public address system.	✓	
Elementary School	Brazos Bend Elementary	Replace split direct expansion (DX) air conditioning units.	✓	
Elementary School	Brazos Bend Elementary	Replace water softener.	✓	
Elementary School	Brazos Bend Elementary	Paint all existing previously painted interior surfaces. Repair/patch walls prior to painting.		✓
Elementary School	Brazos Bend Elementary	Provide new furniture, fixtures and equipment.		✓
Elementary School	Brazos Bend Elementary	Provide new marquee appropriately located near front entry.		✓
Elementary School	Brazos Bend Elementary	Provide new/additional acoustical treatment at gyms.		✓
Elementary School	Brazos Bend Elementary	Renovate and expand library per District standards to create innovative learning center.		✓
Elementary School	Brazos Bend Elementary	Renovate existing restrooms.		✓
Elementary School	Brazos Bend Elementary	Replace concrete sidewalk at numerous locations.		✓

Fort Bend ISD 2018 Capital Plan
Educational Adequacy, Facilities & Life Cycle Deficiencies
Detail by Locations Phase 1 & 2

Level	Location	Description	Phase 1 2018	Phase 2 2021
Elementary School	Brazos Bend Elementary	Replace existing flooring and base throughout facility excluding stage and athletic areas.		✓
Elementary School	Brazos Bend Elementary	Replace parking lot pavement at numerous locations.		✓
Elementary School	Briargate Elementary	Add sidewalk drain, fill, and regrade. Replace sidewalk as required.	✓	
Elementary School	Briargate Elementary	Fill, add storm inlet and grade around school to improve drainage.	✓	
Elementary School	Briargate Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Briargate Elementary	Provide new furniture, fixtures and equipment.	✓	
Elementary School	Briargate Elementary	Provide new room graphics and way-finding signage.	✓	
Elementary School	Briargate Elementary	Provide new way-finding site signage.	✓	
Elementary School	Briargate Elementary	Provide new/additional acoustical treatment at cafeteria.	✓	
Elementary School	Briargate Elementary	Provide new/additional acoustical treatment at gyms.	✓	
Elementary School	Briargate Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Briargate Elementary	Remove all trees causing structural issues.	✓	
Elementary School	Briargate Elementary	Remove operable partitions and install permanent walls.	✓	
Elementary School	Briargate Elementary	Renovate and expand existing kitchen per District standards.	✓	
Elementary School	Briargate Elementary	Renovate existing restrooms.	✓	
Elementary School	Briargate Elementary	Repair cracked precast walls and exposed reinforcing.	✓	
Elementary School	Briargate Elementary	Repair existing broken and cracked exterior wall cladding.	✓	
Elementary School	Briargate Elementary	Replace (2) playgrounds.	✓	
Elementary School	Briargate Elementary	Replace central station air handling unit and provide direct digital controls (DDC).	✓	
Elementary School	Briargate Elementary	Replace chiller water piping insulation.	✓	
Elementary School	Briargate Elementary	Replace cold and hot water piping.	✓	
Elementary School	Briargate Elementary	Replace electric drinking fountains with water fountain bottle fillers per District standard.	✓	
Elementary School	Briargate Elementary	Replace existing exterior waterproofing/sealant joints.	✓	
Elementary School	Briargate Elementary	Replace existing roof system per District standards.	✓	
Elementary School	Briargate Elementary	Replace exterior glass block windows per District standards.	✓	
Elementary School	Briargate Elementary	Replace fire alarm system.	✓	
Elementary School	Briargate Elementary	Replace hot water heater.	✓	
Elementary School	Briargate Elementary	Replace security system.	✓	
Elementary School	Briargate Elementary	Establish dedicated area for auto and bus drop-off/pick-up.		✓
Elementary School	Briargate Elementary	Paint all existing previously painted interior surfaces. Repair/patch walls prior to painting.		✓
Elementary School	Briargate Elementary	Renovate library per District standards to create Innovative Learning Center.		✓
Elementary School	Briargate Elementary	Replace concrete pavement at numerous locations.		✓
Elementary School	Briargate Elementary	Replace concrete sidewalk at numerous locations.		✓
Elementary School	Briargate Elementary	Replace existing flooring and base throughout facility excluding stage and athletic areas.		✓
Elementary School	Briargate Elementary	Replace interior lights with LED lighting and lighting controls.		✓
Elementary School	Burton Elementary	Address waterproofing / dampproofing issues.	✓	
Elementary School	Burton Elementary	Fill and grade to improve drainage.	✓	
Elementary School	Burton Elementary	Fill and grade to improve drainage.	✓	
Elementary School	Burton Elementary	Power wash exterior surfaces.	✓	
Elementary School	Burton Elementary	Provide carbon monoxide (CO) monitoring system.	✓

Level	Location	Description	Phase 1 2018	Phase 2 2021
Elementary School	Drabek Elementary	Renovate and expand library per District standards to create innovative learning center.		✓
Elementary School	Drabek Elementary	Replace concrete sidewalk at numerous locations.		✓
Elementary School	Dulles Elementary	Add storm inlet, place fill and regrade.	✓	
Elementary School	Dulles Elementary	Coat existing metal roof system per District standards.	✓	
Elementary School	Dulles Elementary	Power wash exterior surfaces.	✓	
Elementary School	Dulles Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Dulles Elementary	Provide new room graphics and way-finding signage.	✓	
Elementary School	Dulles Elementary	Provide new way-finding site signage.	✓	
Elementary School	Dulles Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Dulles Elementary	Renovate and expand existing kitchen per District standards.	✓	
Elementary School	Dulles Elementary	Renovate existing restrooms.	✓	
Elementary School	Dulles Elementary	Replace cold and hot water piping.	✓	
Elementary School	Dulles Elementary	Replace electric drinking fountains with water fountain bottle fillers per District standard.	✓	
Elementary School	Dulles Elementary	Replace existing built-up gravel roof system per District standards.	✓	
Elementary School	Dulles Elementary	Replace existing exterior waterproofing/sealant joints.	✓	
Elementary School	Dulles Elementary	Replace water softener.	✓	
Elementary School	Dulles Elementary	Provide new furniture, fixtures and equipment.		✓
Elementary School	Dulles Elementary	Provide new marquee appropriately located near front entry.		✓
Elementary School	Dulles Elementary	Replace concrete sidewalk at numerous locations.		✓
Elementary School	Dulles Elementary	Replace parking lot pavement.		✓
Elementary School	Fleming Elementary	Coat existing metal roof system per District standards.	✓	
Elementary School	Fleming Elementary	Power wash exterior surfaces.	✓	
Elementary School	Fleming Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Fleming Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Fleming Elementary	Replace boiler.	✓	
Elementary School	Fleming Elementary	Replace concrete curb at numerous locations.	✓	
Elementary School	Fleming Elementary	Replace electric drinking fountains with water fountain bottle fillers per District standard.	✓	
Elementary School	Fleming Elementary	Replace exhaust fans.	✓	
Elementary School	Fleming Elementary	Replace existing exterior window per District standards.	✓	
Elementary School	Fleming Elementary	Replace public address system.	✓	
Elementary School	Fleming Elementary	Replace water softener.	✓	
Elementary School	Fleming Elementary	Paint all existing previously painted exterior surfaces.		✓
Elementary School	Fleming Elementary	Provide new marquee appropriately located near front entry.		✓
Elementary School	Fleming Elementary	Replace parking lot pavement at numerous locations.		✓
Elementary School	Glover Elementary	Address waterproofing/dampproofing issues. Provide waterproofing system for exterior back up wall.	✓	
Elementary School	Glover Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Glover Elementary	Provide direct digital controls (DDC).	✓	
Elementary School	Glover Elementary	Provide new room graphics and way-finding signage.	✓	
Elementary School	Glover Elementary	Provide new way-finding site signage.	✓	
Elementary School	Glover Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Glover Elementary	Remove and replace all clerestory windows per district detail.	✓	

Fort Bend ISD 2018 Capital Plan
Educational Adequacy, Facilities & Life Cycle Deficiencies
Detail by Locations Phase 1 & 2

Level	Location	Description	Phase 1 2018	Phase 2 2021
Elementary School	Glover Elementary	Renovate existing restrooms.	✓	
Elementary School	Glover Elementary	Repair existing broken and cracked exterior wall cladding.	✓	
Elementary School	Glover Elementary	Replace central station air handling units and associated chilled water piping and valves and provide direct digital controls (DDC).	✓	
Elementary School	Glover Elementary	Replace chiller.	✓	
Elementary School	Glover Elementary	Replace corroded chilled water piping and damaged insulation.	✓	
Elementary School	Glover Elementary	Replace electric drinking fountains with water fountain bottle fillers per District standard.	✓	
Elementary School	Glover Elementary	Replace exhaust fans.	✓	
Elementary School	Glover Elementary	Replace existing exterior waterproofing/sealant joints.	✓	
Elementary School	Glover Elementary	Replace playground.	✓	
Elementary School	Glover Elementary	Replace refrigerant monitoring system.	✓	
Elementary School	Glover Elementary	Replace switchgear.	✓	
Elementary School	Glover Elementary	Replace water softener.	✓	
Elementary School	Glover Elementary	Wet glaze existing window glass to frame at all window units.	✓	
Elementary School	Glover Elementary	Provide new marquee appropriately located near front entry.		✓
Elementary School	Glover Elementary	Replace concrete curb at numerous locations.		✓
Elementary School	Glover Elementary	Replace concrete pavement at numerous locations.		✓
Elementary School	Glover Elementary	Replace concrete sidewalk at numerous locations.		✓
Elementary School	Glover Elementary	Replace interior lights with LED lighting and lighting controls.		✓
Elementary School	Goodman Elementary	Coat existing metal roof and potential warranty items.	✓	
Elementary School	Goodman Elementary	Eliminate water infiltration at entry doors and vestibule. Provide new door sweeps.	✓	
Elementary School	Goodman Elementary	Fill and grade to improve drainage.	✓	
Elementary School	Goodman Elementary	Fill and grade to improve drainage.	✓	
Elementary School	Goodman Elementary	Fill, add storm inlet and grade around school to improve drainage.	✓	
Elementary School	Goodman Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Goodman Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Goodman Elementary	Provide tuck point repair at all cracked mortar joints.	✓	
Elementary School	Goodman Elementary	Renovate exterior window elevation within inches of ground level.	✓	
Elementary School	Goodman Elementary	Repair chilled water piping insulation.	✓	
Elementary School	Goodman Elementary	Repair existing broken and cracked exterior wall cladding.	✓	
Elementary School	Goodman Elementary	Replace boiler.	✓	
Elementary School	Goodman Elementary	Replace chilled water pumps and provide variable frequency drives (VFDs).	✓	
Elementary School	Goodman Elementary	Replace exhaust fans.	✓	
Elementary School	Goodman Elementary	Replace hot water heater.	✓	
Elementary School	Goodman Elementary	Replace public address system.	✓	
Elementary School	Goodman Elementary	Replace refrigerant monitoring system.	✓	
Elementary School	Goodman Elementary	Replace water softener.	✓	
Elementary School	Goodman Elementary	Wet glaze existing window glass to frame at all window units.	✓	
Elementary School	Goodman Elementary	Provide additional parking for visitors.		✓
Elementary School	Goodman Elementary	Provide new marquee appropriately located near front entry.		✓
Elementary School	Goodman Elementary	Provide shading devices for classroom windows.		✓
Elementary School	Goodman Elementary	Replace concrete pavement at numerous locations.		✓
Elementary School	Goodman Elementary	Replace concrete sidewalk at numerous locations.		✓

Educational Adequacy, Facilities & Life Cycle Deficiencies
Detail by Locations Phase 1 & 2

Level	Location	Description	Phase 1 2018	Phase 2 2021
Elementary School	Heritage Rose Elementary	Convert irrigation from well to domestic water service.	✓	
Elementary School	Heritage Rose Elementary	Fill, add storm inlet and grade around school to improve drainage.	✓	
Elementary School	Heritage Rose Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Heritage Rose Elementary	Remove and replace closure around columns to correct slab failure.	✓	
Elementary School	Heritage Rose Elementary	Repair water damaged sheetrock wall finishes in corridor.	✓	
Elementary School	Heritage Rose Elementary	Replace cooling tower media.	✓	
Elementary School	Heritage Rose Elementary	Replace existing exterior waterproofing/sealant joints.	✓	
Elementary School	Heritage Rose Elementary	Replace existing thru-wall tray per District standards.	✓	
Elementary School	Heritage Rose Elementary	Replace refrigerant monitoring system.	✓	
Elementary School	Heritage Rose Elementary	Replace water heater.	✓	
Elementary School	Heritage Rose Elementary	Set inlet to grade fill and regrade to improve drainage.	✓	
Elementary School	Heritage Rose Elementary	Upgrade emergency egress lighting.	✓	
Elementary School	Heritage Rose Elementary	Provide new marquee appropriately located near front entry.		✓
Elementary School	Heritage Rose Elementary	Replace exterior lights with LED lighting.		✓
Elementary School	Heritage Rose Elementary	Replace parking lot pavement at numerous locations.		✓
Elementary School	Highlands Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Highlands Elementary	Provide new room graphics and way-finding signage.	✓	
Elementary School	Highlands Elementary	Provide new way-finding site signage.	✓	
Elementary School	Highlands Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Highlands Elementary	Renovate existing restrooms.	✓	
Elementary School	Highlands Elementary	Repair gas piping.	✓	
Elementary School	Highlands Elementary	Replace chiller water piping insulation.	✓	
Elementary School	Highlands Elementary	Replace condenser water pump and provide variable frequency drives (VFDs).	✓	
Elementary School	Highlands Elementary	Replace electric drinking fountains with water fountain bottle fillers per District standard.	✓	
Elementary School	Highlands Elementary	Replace existing built-up coating roof system per District standards.	✓	
Elementary School	Highlands Elementary	Replace existing exterior waterproofing/sealant joints.	✓	
Elementary School	Highlands Elementary	Replace playground.	✓	
Elementary School	Highlands Elementary	Replace playground.	✓	
Elementary School	Highlands Elementary	Replace split direct expansion (DX) condensing unit.	✓	
Elementary School	Highlands Elementary	Replace switchgear.	✓	
Elementary School	Highlands Elementary	Replace water softener.	✓	
Elementary School	Highlands Elementary	Install shade cover over hardtop play surface.		✓
Elementary School	Highlands Elementary	Paint all existing previously painted interior surfaces. Repair/patch walls prior to painting.		✓
Elementary School	Highlands Elementary	Provide new furniture, fixtures and equipment.		✓
Elementary School	Highlands Elementary	Replace concrete curb at numerous locations.		✓
Elementary School	Highlands Elementary	Replace concrete sidewalk at numerous locations.		✓
Elementary School	Highlands Elementary	Replace existing flooring and base throughout facility excluding stage and athletic areas.		✓
Elementary School	Highlands Elementary	Replace hardtop play surface.		✓
Elementary School	Highlands Elementary	Replace parking lot pavement at numerous locations.		✓
Elementary School	Highlands Elementary	Replace roof access door.		✓
Elementary School	Holley Elementary	Fill, add storm inlet and grade around school to improve drainage.	✓	

Fort Bend ISD 2018 Capital Plan
Educational Adequacy, Facilities & Life Cycle Deficiencies
Detail by Locations Phase 1 & 2

Level	Location	Description	Phase 1 2018	Phase 2 2021
Elementary School	Holley Elementary	Power wash exterior surfaces.	✓	
Elementary School	Holley Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Holley Elementary	Provide hose bibs.	✓	
Elementary School	Holley Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Holley Elementary	Replace chilled water pumps and provide variable frequency drives (VFDs).	✓	
Elementary School	Holley Elementary	Replace existing exterior waterproofing/sealant joints.	✓	
Elementary School	Holley Elementary	Replace refrigerant monitoring system.	✓	
Elementary School	Holley Elementary	Provide new marquee appropriately located near front entry.		✓
Elementary School	Holley Elementary	Replace concrete curb at numerous locations.		✓
Elementary School	Holley Elementary	Replace concrete sidewalk at numerous locations.		✓
Elementary School	Holley Elementary	Replace exterior lights with LED lighting.		✓
Elementary School	Hunters Glen Elementary	Add perimeter sidewalk around building.	✓	
Elementary School	Hunters Glen Elementary	Power wash exterior surfaces.	✓	
Elementary School	Hunters Glen Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Hunters Glen Elementary	Provide new furniture, fixtures and equipment.	✓	
Elementary School	Hunters Glen Elementary	Provide new portable lift to stage.	✓	
Elementary School	Hunters Glen Elementary	Provide new room graphics and way-finding signage.	✓	
Elementary School	Hunters Glen Elementary	Provide new way-finding site signage.	✓	
Elementary School	Hunters Glen Elementary	Provide new/additional acoustical treatment at cafeteria.	✓	
Elementary School	Hunters Glen Elementary	Provide new/additional acoustical treatment at gyms.	✓	
Elementary School	Hunters Glen Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Hunters Glen Elementary	Refinish stage flooring.	✓	
Elementary School	Hunters Glen Elementary	Relocate sound system controls near stage.	✓	
Elementary School	Hunters Glen Elementary	Replace all (6) accordion doors with operable partition.	✓	
Elementary School	Hunters Glen Elementary	Replace electric drinking fountains with water fountain bottle fillers per District standard.	✓	
Elementary School	Hunters Glen Elementary	Replace existing exterior waterproofing/sealant joints.	✓	
Elementary School	Hunters Glen Elementary	Replace existing roof related sheet metal per District standards.	✓	
Elementary School	Hunters Glen Elementary	Replace existing stage curtains.	✓	
Elementary School	Hunters Glen Elementary	Replace fire alarm system.	✓	
Elementary School	Hunters Glen Elementary	Replace hot water heater.	✓	
Elementary School	Hunters Glen Elementary	Replace public address system at cafeteria.	✓	
Elementary School	Hunters Glen Elementary	Replace refrigerant monitoring system.	✓	
Elementary School	Hunters Glen Elementary	Replace switchgear.	✓	
Elementary School	Hunters Glen Elementary	Replace water softener.	✓	
Elementary School	Hunters Glen Elementary	Wet glaze existing window glass to frame at all window units.	✓	
Elementary School	Hunters Glen Elementary	Paint all existing previously painted exterior surfaces.		✓
Elementary School	Hunters Glen Elementary	Paint all existing previously painted interior surfaces. Repair/patch walls prior to painting.		✓
Elementary School	Hunters Glen Elementary	Provide new marquee appropriately located near front entry.		✓
Elementary School	Hunters Glen Elementary	Renovate existing building to meet current ed spec requirements including renovation and expansion of art lab, science lab, digital learning lab, multipurpose room, and special ed classroom.		✓
Elementary School	Hunters Glen Elementary	Renovate existing restrooms.		✓
Elementary School	Hunters Glen Elementary	Repair concrete.		✓

Fort Bend ISD 2018 Capital Plan
Educational Adequacy, Facilities & Life Cycle Deficiencies
Detail by Locations Phase 1 & 2

Level	Location	Description	Phase 1 2018	Phase 2 2021
Elementary School	Hunters Glen Elementary	Replace concrete pavement at numerous locations.		✓
Elementary School	Hunters Glen Elementary	Replace concrete sidewalk at numerous locations.		✓
Elementary School	Hunters Glen Elementary	Replace existing flooring and base throughout facility excluding stage and athletic areas.		✓
Elementary School	Jones Elementary	Add storm inlet, place fill and regrade.	✓	
Elementary School	Jones Elementary	Address repairs due to moving slab.	✓	
Elementary School	Jones Elementary	Fix sewer smell in the main hallway.	✓	
Elementary School	Jones Elementary	Power wash exterior surfaces.	✓	
Elementary School	Jones Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Jones Elementary	Provide miscellaneous roof repairs.	✓	
Elementary School	Jones Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Jones Elementary	Replace chilled water piping insulation.	✓	
Elementary School	Jones Elementary	Replace concrete slab as required. Find and fix leakages under slab per geotech/MEP engineer recommendations.	✓	
Elementary School	Jones Elementary	Replace exhaust fans.	✓	
Elementary School	Jones Elementary	Replace existing exterior waterproofing/sealant joints.	✓	
Elementary School	Jones Elementary	Replace water softener.	✓	
Elementary School	Jones Elementary	Paint all existing previously painted interior surfaces. Repair/patch walls prior to painting.		✓
Elementary School	Jones Elementary	Provide new marquee appropriately located near front entry.		✓
Elementary School	Jones Elementary	Replace concrete sidewalk at numerous locations.		✓
Elementary School	Jordan Elementary	Coat existing metal roof system per District standards.	✓	
Elementary School	Jordan Elementary	Power wash exterior surfaces.	✓	
Elementary School	Jordan Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Jordan Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Jordan Elementary	Repair cracks reviewed by Structural.	✓	
Elementary School	Jordan Elementary	Repair existing broken and cracked exterior wall cladding.	✓	
Elementary School	Jordan Elementary	Replace cooling tower.	✓	
Elementary School	Jordan Elementary	Replace existing built-up gravel roof system per District standards.	✓	
Elementary School	Jordan Elementary	Replace existing exterior waterproofing/sealant joints.	✓	
Elementary School	Jordan Elementary	Replace public address system.	✓	
Elementary School	Jordan Elementary	Replace refrigerant monitoring system.	✓	
Elementary School	Jordan Elementary	Fill and grade around school to improve drainage.		✓
Elementary School	Jordan Elementary	Provide new marquee appropriately located near front entry.		✓
Elementary School	Jordan Elementary	Replace concrete curb at numerous locations.		✓
Elementary School	Jordan Elementary	Replace concrete sidewalk at numerous locations.		✓
Elementary School	Lantern Lane Elementary	Add lighting to dock /receiving area (In lieu of complete renovation and expansion).	✓	
Elementary School	Lantern Lane Elementary	Fill and grade around school to improve drainage.	✓	
Elementary School	Lantern Lane Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Lantern Lane Elementary	Provide new furniture, fixtures and equipment.	✓	
Elementary School	Lantern Lane Elementary	Provide new room graphics and way-finding signage.	✓	
Elementary School	Lantern Lane Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Lantern Lane Elementary	Remove and replace all existing face brick veneer, replace substrate, air barrier and accessories as required.	✓	
Elementary School	Lantern Lane Elementary	Renovate and expand existing kitchen per District standards.	✓	

Fort Bend ISD 2018 Capital Plan
Educational Adequacy, Facilities & Life Cycle Deficiencies
Detail by Locations Phase 1 & 2

Level	Location	Description	Phase 1 2018	Phase 2 2021
Elementary School	Lantern Lane Elementary	Replace concrete slab as required and remediate soil under slab per geotech engineer recommendations.	✓	
Elementary School	Lantern Lane Elementary	Replace electric drinking fountains with water fountain bottle fillers per District standard.	✓	
Elementary School	Lantern Lane Elementary	Replace exhaust fans.	✓	
Elementary School	Lantern Lane Elementary	Replace existing built-up gravel roof system per District standards.	✓	
Elementary School	Lantern Lane Elementary	Replace existing exterior window per District standards.	✓	
Elementary School	Lantern Lane Elementary	Replace refrigerant monitoring system.	✓	
Elementary School	Lantern Lane Elementary	Replace water softener.	✓	
Elementary School	Lantern Lane Elementary	Provide new marquee appropriately located near front entry.		✓
Elementary School	Lantern Lane Elementary	Renovate existing restrooms.		✓
Elementary School	Lantern Lane Elementary	Replace air cooled chiller.		✓
Elementary School	Lantern Lane Elementary	Replace concrete sidewalk at numerous locations.		✓
Elementary School	Lantern Lane Elementary	Replace existing flooring and base throughout facility excluding stage and athletic areas.		✓
Elementary School	Lexington Creek Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Lexington Creek Elementary	Provide new way-finding site signage.	✓	
Elementary School	Lexington Creek Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Lexington Creek Elementary	Repair existing broken and cracked exterior wall cladding.	✓	
Elementary School	Lexington Creek Elementary	Replace chilled water pumps and provide variable frequency drives (VFDs).	✓	
Elementary School	Lexington Creek Elementary	Replace condenser water pumps and provide variable frequency drives (VFDs).	✓	
Elementary School	Lexington Creek Elementary	Replace cooling tower.	✓	
Elementary School	Lexington Creek Elementary	Replace electric drinking fountains with water fountain bottle fillers per District standard.	✓	
Elementary School	Lexington Creek Elementary	Replace exhaust fans.	✓	
Elementary School	Lexington Creek Elementary	Replace existing exterior waterproofing/sealant joints.	✓	
Elementary School	Lexington Creek Elementary	Replace existing modified bitumen roof system per District standards.	✓	
Elementary School	Lexington Creek Elementary	Replace existing window system, remove brick and waterproof rough opening.	✓	
Elementary School	Lexington Creek Elementary	Replace fire alarm system.	✓	
Elementary School	Lexington Creek Elementary	Replace heating hot water pump and provide variable frequency drive (VFD).	✓	
Elementary School	Lexington Creek Elementary	Replace public address system.	✓	
Elementary School	Lexington Creek Elementary	Replace refrigerant monitoring system.	✓	
Elementary School	Lexington Creek Elementary	Replace water softener.	✓	
Elementary School	Lexington Creek Elementary	Wet glaze existing window glass to frame at all window units.	✓	
Elementary School	Lexington Creek Elementary	Provide new furniture, fixtures and equipment.		✓
Elementary School	Lexington Creek Elementary	Provide new marquee appropriately located near front entry.		✓
Elementary School	Lexington Creek Elementary	Replace concrete sidewalk at numerous locations.		✓
Elementary School	Lexington Creek Elementary	Replace existing flooring and base throughout facility excluding stage and athletic areas.		✓
Elementary School	Lexington Creek Elementary	Replace interior lights with LED lighting and lighting controls.		✓
Elementary School	Madden Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Madden Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Madden Elementary	Replace concrete slab as required and remediate soil under slab per geotech engineer recommendations.	✓	

Fort Bend ISD 2018 Capital Plan
Educational Adequacy, Facilities & Life Cycle Deficiencies
Detail by Locations Phase 1 & 2

Level	Location	Description	Phase 1 2018	Phase 2 2021
Elementary School	Madden Elementary	Replace refrigerant monitoring system.	✓	
Elementary School	Madden Elementary	Provide new marquee appropriately located near front entry.		✓
Elementary School	Mission Bend Elementary	Power wash exterior surfaces.	✓	
Elementary School	Mission Bend Elementary	Provide new furniture, fixtures and equipment.	✓	
Elementary School	Mission Bend Elementary	Provide new room graphics and way-finding signage.	✓	
Elementary School	Mission Bend Elementary	Provide new way-finding site signage.	✓	
Elementary School	Mission Bend Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Mission Bend Elementary	Remove all trees causing structural issues.	✓	
Elementary School	Mission Bend Elementary	Renovate and expand existing kitchen per District standards.	✓	
Elementary School	Mission Bend Elementary	Repair existing broken and cracked exterior wall cladding.	✓	
Elementary School	Mission Bend Elementary	Replace cold and hot water piping.	✓	
Elementary School	Mission Bend Elementary	Replace electric drinking fountains with water fountain bottle fillers per District standard.	✓	
Elementary School	Mission Bend Elementary	Replace exhaust fans.	✓	
Elementary School	Mission Bend Elementary	Replace existing built-up gravel roof system per District standards.	✓	
Elementary School	Mission Bend Elementary	Replace existing stage curtain.	✓	
Elementary School	Mission Bend Elementary	Replace public address system.	✓	
Elementary School	Mission Bend Elementary	Replace sanitary sewer piping.	✓	
Elementary School	Mission Bend Elementary	Replace security system.	✓	
Elementary School	Mission Bend Elementary	Replace water softener.	✓	
Elementary School	Mission Bend Elementary	Wet glaze existing window glass to frame at all window units.	✓	
Elementary School	Mission Bend Elementary	Renovate and expand library per District standards to create innovative learning center.		✓
Elementary School	Mission Bend Elementary	Renovate existing restrooms.		✓
Elementary School	Mission Bend Elementary	Replace concrete curb at numerous locations.		✓
Elementary School	Mission Bend Elementary	Replace concrete sidewalk at numerous locations.		✓
Elementary School	Mission Glen Elementary	Infill masonry cracks with epoxy sealants. Recaulk joints where necessary.	✓	
Elementary School	Mission Glen Elementary	Power wash exterior surfaces.	✓	
Elementary School	Mission Glen Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Mission Glen Elementary	Provide direct digital controls (DDC).	✓	
Elementary School	Mission Glen Elementary	Provide new room graphics and way-finding signage.	✓	
Elementary School	Mission Glen Elementary	Provide new way-finding site signage.	✓	
Elementary School	Mission Glen Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Mission Glen Elementary	Remove and replace existing ceiling with new acoustical lay-in ceiling tile and grid.	✓	
Elementary School	Mission Glen Elementary	Renovate existing restrooms.	✓	
Elementary School	Mission Glen Elementary	Renovate restroom (in lieu of complete kitchen area renovation and expansion).	✓	
Elementary School	Mission Glen Elementary	Repair existing broken and cracked exterior wall cladding.	✓	
Elementary School	Mission Glen Elementary	Replace chilled water pumps and provide variable frequency drives (VFDs).	✓	
Elementary School	Mission Glen Elementary	Replace cold and hot water piping.	✓	
Elementary School	Mission Glen Elementary	Replace concrete slab as required and remediate soil under slab per geotech engineer recommendations.	✓	
Elementary School	Mission Glen Elementary	Replace condenser water pumps and provide variable frequency drives (VFDs).	✓

Elementary School	Ridgegate Elementary	Replace concrete sidewalk at numerous locations.		✓
Elementary School	Ridgegate Elementary	Replace parking lot pavement at numerous locations.		✓
Elementary School	Ridgemont Elementary	Add fire sprinkler system.	✓	
Elementary School	Ridgemont Elementary	Add inlets and storm sewer.	✓	
Elementary School	Ridgemont Elementary	Fill and grade around school to improve drainage.	✓	
Elementary School	Ridgemont Elementary	Infill masonry wall cracks with epoxy sealants. Replace brick at service yard and entryway.	✓	
Elementary School	Ridgemont Elementary	Power wash exterior surfaces.	✓	
Elementary School	Ridgemont Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Ridgemont Elementary	Provide new furniture, fixtures and equipment.	✓	
Elementary School	Ridgemont Elementary	Provide new room graphics and way-finding signage.	✓	
Elementary School	Ridgemont Elementary	Provide new way-finding site signage.	✓	
Elementary School	Ridgemont Elementary	Provide new/additional acoustical treatment at cafeteria.	✓	
Elementary School	Ridgemont Elementary	Provide new/additional acoustical treatment at gyms.	✓	
Elementary School	Ridgemont Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Ridgemont Elementary	Refinish stage flooring.	✓	
Elementary School	Ridgemont Elementary	Renovate and expand existing kitchen per District standards.	✓	
Elementary School	Ridgemont Elementary	Repair existing broken and cracked exterior wall cladding.	✓	
Elementary School	Ridgemont Elementary	Repair waterproofing system.	✓	
Elementary School	Ridgemont Elementary	Replace boiler.	✓	
Elementary School	Ridgemont Elementary	Replace chilled water pumps and provide variable frequency drives (VFDs).	✓	
Elementary School	Ridgemont Elementary	Replace cold and hot water piping.	✓	
Elementary School	Ridgemont Elementary	Replace condenser water pumps and provide variable frequency drives (VFDs).	✓	
Elementary School	Ridgemont Elementary	Replace electric drinking fountains with water fountain bottle fillers per District standard.	✓	

Fort Bend ISD 2018 Capital Plan
Educational Adequacy, Facilities & Life Cycle Deficiencies
Detail by Locations Phase 1 & 2

Level	Location	Description	Phase 1 2018	Phase 2 2021
Elementary School	Ridgemont Elementary	Replace existing exterior waterproofing/sealant joints.	✓	
Elementary School	Ridgemont Elementary	Replace existing exterior window per District standards.	✓	
Elementary School	Ridgemont Elementary	Replace existing roof system per District standards.	✓	
Elementary School	Ridgemont Elementary	Replace existing stage curtains.	✓	
Elementary School	Ridgemont Elementary	Replace hot water heater.	✓	
Elementary School	Ridgemont Elementary	Replace security system.	✓	
Elementary School	Ridgemont Elementary	Replace water softener.	✓	
Elementary School	Ridgemont Elementary	Wet glaze existing window glass to frame at all window units.	✓	
Elementary School	Ridgemont Elementary	Paint all existing previously painted interior surfaces. Repair/patch walls prior to painting.		✓
Elementary School	Ridgemont Elementary	Renovate and expand library per District standards to create innovative learning center.		✓
Elementary School	Ridgemont Elementary	Renovate existing restrooms.		✓
Elementary School	Ridgemont Elementary	Replace concrete sidewalk at numerous locations.		✓
Elementary School	Ridgemont Elementary	Replace existing flooring and base throughout facility excluding stage and athletic areas.		✓
Elementary School	Ridgemont Elementary	Replace parking lot pavement at numerous locations.		✓
Elementary School	Scanlan Oaks Elementary	Power wash exterior surfaces.	✓	
Elementary School	Scanlan Oaks Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Scanlan Oaks Elementary	Provide direct digital controls (DDC) for the entire facility.	✓	
Elementary School	Scanlan Oaks Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Scanlan Oaks Elementary	Refinish stage flooring.	✓	
Elementary School	Scanlan Oaks Elementary	Repair existing broken and cracked exterior plaster wall.	✓	
Elementary School	Scanlan Oaks Elementary	Replace central station air handling units.	✓	
Elementary School	Scanlan Oaks Elementary	Replace existing exterior waterproofing/sealant joints.	✓	
Elementary School	Scanlan Oaks Elementary	Replace hose bibs.	✓	
Elementary School	Scanlan Oaks Elementary	Replace refrigerant monitoring system.	✓	
Elementary School	Scanlan Oaks Elementary	Separate the irrigation and the cooling tower water from the main building supply.	✓	
Elementary School	Scanlan Oaks Elementary	Paint all existing previously painted interior surfaces. Repair/patch walls prior to painting.		✓
Elementary School	Scanlan Oaks Elementary	Replace concrete pavement at numerous locations.		✓
Elementary School	Scanlan Oaks Elementary	Replace existing modified bitumen roof system per District standards.		✓
Elementary School	Scanlan Oaks Elementary	Replace five (5) hand wash stations.		✓
Elementary School	Schiff Elementary	Provide additional electrical outlets in commons and classrooms.	✓	
Elementary School	Schiff Elementary	Provide carbon monoxide (CO) monitoring system.	✓	
Elementary School	Schiff Elementary	Provide irrigation system at front of building.	✓	
Elementary School	Schiff Elementary	Provide miscellaneous roof repairs.	✓	
Elementary School	Schiff Elementary	Provide surge protection/phase protection on the main service.	✓	
Elementary School	Schiff Elementary	Replace electric drinking fountains with water fountain bottle fillers per District standard.	✓	
Elementary School	Schiff Elementary	Replace existing exterior waterproofing/sealant joints.	✓	
Elementary School	Schiff Elementary	Replace the main plumbing lateral along the back.	✓	
Elementary School	Schiff Elementary	Separate the irrigation and the cooling tower off the domestic water.	✓	
Elementary School	Schiff Elementary	Replace concrete pavement at numerous locations.		✓
Elementary School	Schiff Elementary	Replace concrete sidewalk at numerous locations.		✓

Fort Bend ISD 2018 Capital Plan

Middle School	Garcia Middle	Replace water softener.	✓	
Middle School	Garcia Middle	Construct fine arts building addition to meet current ed spec requirements. Renovate/reconfigure existing fine arts suite to meet ed spec requirements.		✓
Middle School	Garcia Middle	Convert existing natural turf competition field to synthetic turf and add sports lighting.		✓
Middle School	Garcia Middle	Paint all existing previously painted exterior surfaces.		✓
Middle School	Garcia Middle	Provide bleacher seats on concrete pad.		✓
Middle School	Garcia Middle	Provide new furniture, fixtures and equipment.		✓
Middle School	Garcia Middle	Provide new marquee appropriately located near front entry.		✓
Middle School	Garcia Middle	Provide new roller window shades in cafeteria.		✓
Middle School	Garcia Middle	Provide new windscreen.		✓
Middle School	Garcia Middle	Renovate locker rooms.		✓
Middle School	Garcia Middle	Replace concrete sidewalk at numerous locations.		✓
Middle School	Garcia Middle	Replace existing flooring and base throughout facility excluding stage and athletic areas.		✓

Fort Bend ISD 2018 Capital Plan
Educational Adequacy, Facilities & Life Cycle Deficiencies
Detail by Locations Phase 1 & 2

Level	Location	Description	Phase 1 2018	Phase 2 2021
Middle School	Hodges Bend Middle	Add fire sprinkler system.	✓	
Middle School	Hodges Bend Middle	Add lighting at back of stage.	✓	
Middle School	Hodges Bend Middle	Connect chilled water control valves to building direct digital control (DDC) panel.	✓	
Middle School	Hodges Bend Middle	Construct fine arts building addition to meet current ed spec requirements. Renovate/reconfigure existing fine arts suite to meet ed spec requirements.	✓	
Middle School	Hodges Bend Middle	Power wash exterior surfaces.	✓	
Middle School	Hodges Bend Middle	Provide carbon monoxide (CO) monitoring system.	✓	
Middle School	Hodges Bend Middle	Provide guardrail with handrail at stage stairs.	✓	
Middle School	Hodges Bend Middle	Provide new furniture, fixtures and equipment.	✓	
Middle School	Hodges Bend Middle	Provide new room graphics and way-finding signage.	✓	
Middle School	Hodges Bend Middle	Provide new way-finding site signage.	✓	
Middle School	Hodges Bend Middle	Provide surge protection/phase protection on the main service.	✓	
Middle School	Hodges Bend Middle	Provide track and field improvements.	✓	
Middle School	Hodges Bend Middle	Provide variable frequency drive (VFD) on chilled water pumps.	✓	
Middle School	Hodges Bend Middle	Reinsulate new chilled water control valves.	✓	
Middle School	Hodges Bend Middle	Remove and replace access ramp.	✓	
Middle School	Hodges Bend Middle	Repair and paint condenser water piping.	✓	
Middle School	Hodges Bend Middle	Repair/replace athletic elements at practice gym.	✓	
Middle School	Hodges Bend Middle	Replace cold and hot water piping.	✓	
Middle School	Hodges Bend Middle	Replace condenser water pump.	✓	
Middle School	Hodges Bend Middle	Replace electric drinking fountains with water fountain bottle fillers per District standard.	✓	
Middle School	Hodges Bend Middle	Replace existing built-up gravel roof system per District standards.	✓	
Middle School	Hodges Bend Middle	Replace existing exterior waterproofing/sealant joints.	✓	
Middle School	Hodges Bend Middle	Replace existing exterior window per District standards.	✓	
Middle School	Hodges Bend Middle	Replace fire alarm system.	✓	
Middle School	Hodges Bend Middle	Replace flooring at stage.	✓	
Middle School	Hodges Bend Middle	Replace heating hot water pump and provide variable frequency drive (VFD).	✓	
Middle School	Hodges Bend Middle	Replace refrigerant monitoring system.	✓	
Middle School	Hodges Bend Middle	Replace sound system at stage.	✓	
Middle School	Hodges Bend Middle	Replace sound system in gym.	✓	
Middle School	Hodges Bend Middle	Convert existing natural turf competition field to synthetic turf and add sports lighting.		✓
Middle School	Hodges Bend Middle	Paint all existing previously painted exterior surfaces.		✓
Middle School	Hodges Bend Middle	Paint all existing previously painted interior surfaces. Repair/patch walls prior to painting.		✓
Middle School	Hodges Bend Middle	Provide new marquee appropriately located near front entry.		✓
Middle School	Hodges Bend Middle	Renovate existing restrooms.		✓
Middle School	Hodges Bend Middle	Renovate library per District standards to create Innovative Learning Center.		✓
Middle School	Hodges Bend Middle	Renovate locker rooms.		✓
Middle School	Hodges Bend Middle	Replace concrete sidewalk at numerous locations.		✓
Middle School	Hodges Bend Middle	Replace existing flooring and base throughout facility excluding stage and athletic areas.		✓
Middle School	Lake Olympia Middle	Install new guardrails and handrails at stage ramps.	✓	

Fort Bend ISD 2018 Capital Plan
Educational Adequacy, Facilities & Life Cycle Deficiencies
Detail by Locations Phase 1 & 2

Level	Location	Description	Phase 1 2018	Phase 2 2021
Middle School	Lake Olympia Middle	Install new theatrical lighting at the stage.	✓	
Middle School	Lake Olympia Middle	Modify existing stairs and provide new handrails.	✓	
Middle School	Lake Olympia Middle	Provide carbon monoxide (CO) monitoring system.	✓	
Middle School	Lake Olympia Middle	Provide new light board for stage.	✓	
Middle School	Lake Olympia Middle	Provide new room graphics and way-finding signage.	✓	
Middle School	Lake Olympia Middle	Provide new way-finding site signage.	✓	
Middle School	Lake Olympia Middle	Provide new/additional acoustical treatment at cafeteria.	✓	
Middle School	Lake Olympia Middle	Provide new/additional acoustical treatment at choir room.	✓	
Middle School	Lake Olympia Middle	Provide surge protection/phase protection on the main service.	✓	
Middle School	Lake Olympia Middle	Provide track and field improvements.	✓	
Middle School	Lake Olympia Middle	Remove existing ceiling grid and tiles above stage. Paint exposed ceiling and all above ceiling items black.	✓	
Middle School	Lake Olympia Middle	Renovate and expand existing kitchen per District standards.	✓	
Middle School	Lake Olympia Middle	Repair existing broken and cracked exterior wall cladding.	✓	
Middle School	Lake Olympia Middle	Repair/replace athletic elements at practice gym.	✓	
Middle School	Lake Olympia Middle	Replace boiler (2).	✓	
Middle School	Lake Olympia Middle	Replace central station air handling units and provide direct digital controls (DDC).	✓	
Middle School	Lake Olympia Middle	Replace chiller water piping at pump.	✓	
Middle School	Lake Olympia Middle	Replace chiller.	✓	
Middle School	Lake Olympia Middle	Replace cooling tower.	✓	
Middle School	Lake Olympia Middle	Replace existing exterior waterproofing/sealant joints.	✓	
Middle School	Lake Olympia Middle	Replace heating hot water piping.	✓	
Middle School	Lake Olympia Middle	Replace heating hot water pump and provide variable frequency drive (VFD).	✓	
Middle School	Lake Olympia Middle	Replace refrigerant monitoring system.	✓	
Middle School	Lake Olympia Middle	Replace security system.	✓	
Middle School	Lake Olympia Middle	Replace water softener.	✓	
Middle School	Lake Olympia Middle	Construct fine arts building addition to meet current ed spec requirements. Renovate/reconfigure existing fine arts suite to meet ed spec requirements.		✓

High School	Clements High	Rebuild existing baseball complex to provide on-campus facility.		✓
High School	Clements High	Remove and replace access ramp.		✓
High School	Clements High	Renovate existing restrooms.		✓
High School	Clements High	Renovate locker rooms.		✓
High School	Clements High	Renovate softball field.		✓
High School	Clements High	Renovate weight room.		✓
High School	Clements High	Replace concrete sidewalk in numerous locations.		✓

Fort Bend ISD 2018 Capital Plan
Educational Adequacy, Facilities & Life Cycle Deficiencies
Detail by Locations Phase 1 & 2

Level	Location	Description	Phase 1 2018	Phase 2 2021
High School	Clements High	Replace damaged/falling brick.		✓
High School	Clements High	Replace football restrooms.		✓
High School	Clements High	Replace interior lights with LED lighting and lighting controls.		✓
High School	Clements High	Replace parking lot pavement at numerous locations.		✓
High School	Dulles High	Construct fine arts building addition to meet current ed spec requirements. Renovate/reconfigure existing fine arts suite to meet ed spec requirements.	✓	
High School	Dulles High	Convert the existing natural turf football field to synthetic turf.	✓	
High School	Dulles High	Improve drainage at the baseball field.	✓	
High School	Dulles High	Install goals at both gyms.	✓	
High School	Dulles High	Place fill and regrade around school.	✓	
High School	Dulles High	Power wash exterior surfaces.	✓	
High School	Dulles High	Provide carbon monoxide (CO) monitoring system.	✓	
High School	Dulles High	Provide goalposts junior varsity (JV) football field and the soccer practice field.	✓	
High School	Dulles High	Provide new room graphics and way-finding signage.	✓	
High School	Dulles High	Provide new way-finding site signage.	✓	
High School	Dulles High	Provide surge protection/phase protection on the main service.	✓	
High School	Dulles High	Renovate and reconfigure existing auditorium and support spaces to meet current ed spec requirements.	✓	
High School	Dulles High	Replace chiller.	✓	
High School	Dulles High	Replace concrete courtyard.	✓	
High School	Dulles High	Replace cooling tower.	✓	
High School	Dulles High	Replace electric drinking fountains with water fountain bottle fillers per District standard.	✓	
High School	Dulles High	Replace exhaust fans.	✓	
High School	Dulles High	Replace existing exterior waterproofing/sealant joints.	✓	
High School	Dulles High	Replace existing exterior window per District standards.	✓	
High School	Dulles High	Replace existing metal roof system District standards.	✓	
High School	Dulles High	Replace fire alarm system.	✓	
High School	Dulles High	Replace greenhouse.	✓	
High School	Dulles High	Replace heating water piping.	✓	
High School	Dulles High	Replace heating water pump and provide variable frequency drive (VFD).	✓	
High School	Dulles High	Replace hot water heater.	✓	
High School	Dulles High	Replace refrigerant monitoring system.	✓	
High School	Dulles High	Replace scoreboard at baseball and football.	✓	
High School	Dulles High	Replace water softener.	✓	
High School	Dulles High	Add gate to restrict traffic flow during school hours at Tech Ed.		✓
High School	Dulles High	Paint all existing previously painted interior surfaces. Repair/patch walls prior to painting.		✓
High School	Dulles High	Provide new furniture, fixtures and equipment		✓
High School	Dulles High	Provide new marquee appropriately located near front entry.		✓
High School	Dulles High	Provide track and field improvements.		✓
High School	Dulles High	Provide traffic control around entire school complex (high school, middle school and elementary school).		✓
High School	Dulles High	Renovate baseball field.		✓
High School	Dulles High	Renovate existing restrooms.		✓

Fort Bend ISD 2018 Capital Plan
Educational Adequacy, Facilities & Life Cycle Deficiencies
Detail by Locations Phase 1 & 2

Level	Location	Description	Phase 1 2018	Phase 2 2021
High School	Dulles High	Renovate locker rooms.		✓
High School	Dulles High	Renovate softball field.		✓
High School	Dulles High	Renovate weight room.		✓
High School	Dulles High	Replace existing flooring and base throughout facility excluding auditorium and athletic areas.		✓
High School	Dulles High	Replace parking lot pavement at numerous locations.		✓
High School	Dulles High	Replace security system.		✓
High School	Elkins High	Construct fine arts building addition to meet current ed spec requirements. Renovate/reconfigure existing fine arts suite to meet ed spec requirements.	✓	
High School	Elkins High	Convert the existing natural turf football field to synthetic turf.	✓	
High School	Elkins High	Install new house lighting and dimming controls in auditorium.	✓	
High School	Elkins High	Install three-way valves in system to establish minimum flow.	✓	
High School	Elkins High	Power wash exterior surfaces.	✓	
High School	Elkins High	Provide carbon monoxide (CO) monitoring system.	✓	
High School	Elkins High	Provide direct digital controls (DDC) for the entire facility.	✓	
High School	Elkins High	Provide generator to power main distribution frame (MDF) and associated systems, kitchen refrigeration and core facility.	✓	
High School	Elkins High	Provide miscellaneous roof repairs.	✓	
High School	Elkins High	Provide new room graphics and way-finding signage.	✓	
High School	Elkins High	Provide new water treatment for the water service.	✓	
High School	Elkins High	Provide new way-finding site signage.	✓	
High School	Elkins High	Provide new/additional acoustical treatment at cafeteria.	✓	
High School	Elkins High	Provide surge protection/phase protection on the main service.	✓	
High School	Elkins High	Renovate exhaust fan in school.	✓	
High School	Elkins High	Renovate exhaust system in storage and laboratory prep rooms that have chemical material storage.	✓	
High School	Elkins High	Renovate existing dance room.	✓	
High School	Elkins High	Renovate wood shop dust collection system.	✓	
High School	Elkins High	Renovate, reconfigure and expand SPED (special education) suite and support spaces to meet current ed specs. Relocate to first floor.	✓	
High School	Elkins High	Repair/replace athletic elements at practice gym.	✓	
High School	Elkins High	Replace all electric duct heaters.	✓	
High School	Elkins High	Replace all tower shower columns.	✓	
High School	Elkins High	Replace bleachers at both gyms.	✓	
High School	Elkins High	Replace chilled water pumps with in line pumps. Provide variable frequency drive (VFD) for pumps.	✓	
High School	Elkins High	Replace chiller water piping and clean and purge system.	✓	
High School	Elkins High	Replace cooling tower.	✓	
High School	Elkins High	Replace electric drinking fountains with water fountain bottle fillers per District standard.	✓	
High School	Elkins High	Replace exhaust fans.	✓	
High School	Elkins High	Replace existing exterior waterproofing/sealant joints.	✓	
High School	Elkins High	Replace fire alarm system.	✓	
High School	Elkins High	Replace flooring in gym.	✓	
High School	Elkins High	Replace hot water heater.	✓	
High School	Elkins High	Replace laundry equipment.	✓	

Fort Bend ISD 2018 Capital Plan
Educational Adequacy, Facilities & Life Cycle Deficiencies
Detail by Locations Phase 1 & 2

Level	Location	Description	Phase 1 2018	Phase 2 2021
High School	Elkins High	Replace missing valves in facility.	✓	
High School	Elkins High	Replace public address system.	✓	
High School	Elkins High	Replace refrigerant monitoring system.	✓	
High School	Elkins High	Replace secondary switch gear feeders on the roof.	✓	
High School	Elkins High	Replace security system.	✓	
High School	Elkins High	Replace sound system in the auditorium.	✓	
High School	Elkins High	Replace the motor control center (MCC) and provide new starters and phase failure/phase reversal protection.	✓	
High School	Elkins High	Replace valves and actuators on all central station air handling units.	✓	
High School	Elkins High	Resurface and reseal joints at tennis courts.	✓	
High School	Elkins High	Construct new concessions/restroom/training, ticket booth building to share with football and baseball.		✓
High School	Elkins High	Increase long and short term storage for technology devices.		✓
High School	Elkins High	Provide additional parking.		✓
High School	Elkins High	Provide hose bibs.		✓
High School	Elkins High	Provide new marquee appropriately located near front entry.		✓
High School	Elkins High	Provide ramps on each side of service yard driveway at multiple locations.		✓
High School	Elkins High	Provide shading devices for classroom windows and common areas.		✓
High School	Elkins High	Renovate and reconfigure existing auditorium and support spaces to meet current ed spec requirements.		✓
High School	Elkins High	Renovate baseball field.		✓
High School	Elkins High	Renovate equipment at practice fields (extend water service with hose bibs to all practice fields, include hose bib at tennis, provide 2 new H-style goal posts at each of the practice fields, provide new 8-pole discus net cage with concrete pad at existing location).		✓
High School	Elkins High	Renovate existing restrooms.		✓
High School	Elkins High	Renovate football field.		✓
High School	Elkins High	Renovate softball field.		✓
High School	Elkins High	Renovate training room & locker room.		✓
High School	Elkins High	Replace all lined ductwork at the units and clean the remainder of the ductwork.		✓
High School	Elkins High	Replace concrete pavement at numerous locations.		✓
High School	Elkins High	Replace concrete sidewalk at numerous locations.		✓
High School	Elkins High	Replace existing covered walkway and courtyard canopy.		✓
High School	Hightower High	Connect downspouts to existing underground storm sewer system.	✓	
High School	Hightower High	Convert irrigation from well to domestic water service.	✓	
High School	Hightower High	Convert the existing natural turf football field to synthetic turf.	✓	
High School	Hightower High	Fill and grade around school to improve drainage.	✓	
High School	Hightower High	Provide carbon monoxide (CO) monitoring system.	✓	
High School	Hightower High	Provide direct digital controls (DDC).	✓	
High School	Hightower High	Provide new room graphics and way-finding signage.	✓	
High School	Hightower High	Provide new way-finding site signage.	✓	
High School	Hightower High	Provide surge protection/phase protection on the main service.	✓	
High School	Hightower High	Repair elevator at softball.	✓	
High School	Hightower High	Repair two (2) way communication in elevator at football.	✓	
High School	Hightower High	Replace bleachers at both gyms.	✓	

Fort Bend ISD 2018 Capital Plan
Educational Adequacy, Facilities & Life Cycle Deficiencies
Detail by Locations Phase 1 & 2

Level	Location	Description	Phase 1 2018	Phase 2 2021
High School	Hightower High	Replace boiler.	✓	
High School	Hightower High	Replace central station air handling units.	✓	
High School	Hightower High	Replace chilled water pumps and provide variable frequency drives (VFDs).	✓	
High School	Hightower High	Replace chiller water piping.	✓	
High School	Hightower High	Replace chiller.	✓	
High School	Hightower High	Replace condenser water pumps and provide variable frequency drives (VFDs).	✓	
High School	Hightower High	Replace cooling tower.	✓	
High School	Hightower High	Replace domestic water heater.	✓	
High School	Hightower High	Replace existing built-up gravel roof system per District standards.	✓	
High School	Hightower High	Replace existing exterior waterproofing/sealant joints.	✓	
High School	Hightower High	Replace existing flooring and base throughout facility excluding auditorium and athletic areas.	✓	
High School	Hightower High	Replace fire alarm system.	✓	
High School	Hightower High	Replace heating water pumps and provide variable frequency drive (VFD).	✓	
High School	Hightower High	Replace laundry equipment.	✓	
High School	Hightower High	Replace lined ductwork.	✓	
High School	Hightower High	Replace public address system.	✓	
High School	Hightower High	Replace refrigerant monitoring system.	✓	
High School	Hightower High	Replace security system.	✓	
High School	Hightower High	Replace sound and projector system in gymnasium.	✓	
High School	Hightower High	Construct concession and ticket booth at softball field.		✓
High School	Hightower High	Construct concession/restroom, storage building to be used for football and baseball.		✓
High School	Hightower High	Construct fine arts building addition to meet current ed spec requirements. Renovate/reconfigure existing fine arts suite to meet ed spec requirements.		✓
High School	Hightower High	Fill and grade to improve drainage.		✓
High School	Hightower High	Pour concrete pilot channels for downspouts by the practice field.		✓
High School	Hightower High	Provide backstop net and block wall at softball field.		✓
High School	Hightower High	Provide netting for hitting cage at softball field.		✓
High School	Hightower High	Provide new marquee appropriately located near front entry.		✓
High School	Hightower High	Provide new windscreen.		✓
High School	Hightower High	Renovate and reconfigure existing auditorium and support spaces to meet current ed spec requirements.		✓
High School	Hightower High	Renovate bleachers and press box at football field.		✓
High School	Hightower High	Renovate locker rooms.		✓
High School	Hightower High	Renovate training room.		✓
High School	Hightower High	Renovate weight room.		✓
High School	Hightower High	Repair flooring at training room		✓
High School	Hightower High	Replace concrete sidewalk at numerous locations.		✓
High School	Hightower High	Replace existing backstop at baseball field.		✓
High School	Hightower High	Replace existing lights on all fields with LED.		✓
High School	Hightower High	Replace exterior lights with LED lighting.		✓
High School	Hightower High	Replace parking lot pavement at numerous locations.		✓
High School	Hightower High	Replace scoreboard at competition and practice gym.		✓

Fort Bend ISD 2018 Capital Plan
Educational Adequacy, Facilities & Life Cycle Deficiencies
Detail by Locations Phase 1 & 2

Level	Location	Description	Phase 1 2018	Phase 2 2021
High School	Kempner High	Construct fine arts building addition to meet current ed spec square footage requirements. Renovate/reconfigure existing fine arts suite to meet ed spec requirements.	✓	
High School	Kempner High	Convert the existing natural turf football field to synthetic turf.	✓	
High School	Kempner High	Install new sound system in the auditorium.	✓	
High School	Kempner High	Install new theatrical lighting and control system at stage.	✓	
High School	Kempner High	Power wash exterior surfaces.	✓	
High School	Kempner High	Provide carbon monoxide (CO) monitoring system.	✓	
High School	Kempner High	Provide new room graphics and way-finding signage.	✓	
High School	Kempner High	Provide new way-finding site signage.	✓	
High School	Kempner High	Provide surge protection/phase protection on the main service.	✓	
High School	Kempner High	Renovate, reconfigure and expand SPED (special education) suite and support spaces to meet current ed specs.	✓	
High School	Kempner High	Repair filming tower at football practice field.	✓	
High School	Kempner High	Repair/replace athletic elements at competition gym.	✓	
High School	Kempner High	Replace central station air handling units and associated chilled water piping and valves and provide direct digital controls (DDC).	✓	
High School	Kempner High	Replace chilled water pumps.	✓	
High School	Kempner High	Replace exhaust fans.	✓	
High School	Kempner High	Replace existing exterior window per District standards.	✓	
High School	Kempner High	Replace existing roof system per District standards.	✓	
High School	Kempner High	Replace heating water pumps and provide variable frequency drive (VFD).	✓	
High School	Kempner High	Replace refrigerant monitoring system.	✓	
High School	Kempner High	Replace water softener.	✓	
High School	Kempner High	Replace water softener.	✓	
High School	Kempner High	Paint all existing previously painted interior surfaces. Repair/patch walls prior to painting.		✓
High School	Kempner High	Provide additional bleachers at football, baseball, softball fields.		✓
High School	Kempner High	Provide new marquee appropriately located near front entry.		✓
High School	Kempner High	Renovate and reconfigure existing auditorium and support spaces to meet current ed spec requirements.		✓
High School	Kempner High	Renovate existing restrooms.		✓
High School	Kempner High	Renovate exterior restrooms and concessions at baseball and softball fields.		✓
High School	Kempner High	Renovate locker rooms.		✓
High School	Kempner High	Renovate tennis courts.		✓
High School	Kempner High	Replace concrete sidewalk at numerous locations.		✓
High School	Kempner High	Replace existing flooring and base throughout facility excluding auditorium and athletic areas.		✓
High School	Kempner High	Replace heating water piping and insulation.		✓
High School	Kempner High	Replace parking lot pavement at numerous locations.		✓
High School	Kempner High	Replace scoreboard at football.		✓
High School	Kempner High	Replace the goalposts.		✓
High School	Marshall High	Convert irrigation from well to domestic water service.	✓	
High School	Marshall High	Convert the existing natural turf football field to synthetic turf.	✓	
High School	Marshall High	Power wash exterior surfaces.	✓	
High School	Marshall High	Provide carbon monoxide (CO) monitoring system.	✓

Educational Adequacy, Facilities & Life Cycle Deficiencies
Detail by Locations Phase 1 & 2

Level	Location	Description	Phase 1 2018	Phase 2 2021
High School	Travis High	Replace existing built-up gravel roof system per District standards.		✓
High School	Willowridge High	Address waterproofing/dampproofing issues. Provide waterproofing system for exterior back up wall.	✓	
High School	Willowridge High	Convert the existing natural turf football field to synthetic turf.	✓	
High School	Willowridge High	Install accessible ramp to cafeteria stage.	✓	
High School	Willowridge High	Install new fire line to theater.	✓	
High School	Willowridge High	Power wash exterior surfaces.	✓	
High School	Willowridge High	Provide carbon monoxide (CO) monitoring system.	✓	
High School	Willowridge High	Provide surge protection/phase protection on the main service.	✓	
High School	Willowridge High	Repair existing broken and cracked exterior wall cladding.	✓	
High School	Willowridge High	Repair/replace athletic elements at practice gym.	✓	
High School	Willowridge High	Replace bleachers at both gyms.	✓	
High School	Willowridge High	Replace boiler in J wing.	✓	
High School	Willowridge High	Replace concrete slab as required and remediate soil under slab per geotech engineer recommendations.	✓	
High School	Willowridge High	Replace existing built-up roof system per District standards and replace skylights.	✓	
High School	Willowridge High	Replace existing exterior waterproofing/sealant joints.	✓	
High School	Willowridge High	Replace public address system.	✓	
High School	Willowridge High	Replace refrigerant monitoring system.	✓	
High School	Willowridge High	Replace scoreboard at softball.	✓	
High School	Willowridge High	Replace security system.	✓	
High School	Willowridge High	Replace sound system at gym.	✓	
High School	Willowridge High	Replace water softener.	✓	
High School	Willowridge High	Wet glaze existing window glass to frame at all window units.	✓	
High School	Willowridge High	Construct fine arts building addition to meet current ed spec requirements. Renovate/reconfigure existing fine arts suite to meet ed spec requirements.		✓
High School	Willowridge High	Provide new marquee appropriately located near front entry.		✓
High School	Willowridge High	Provide new triple-tunnel hitting cage.		✓
High School	Willowridge High	Renovate and reconfigure auditorium and support spaces per ed spec requirements.		✓
High School	Willowridge High	Renovate existing restrooms.		✓
High School	Willowridge High	Renovate football field.		✓
High School	Willowridge High	Replace concrete sidewalk at numerous locations.		✓
High School	Willowridge High	Resurface track and provide field event improvements.		✓
Other	Admin Annex	Provide secure front entry vestibule and enhanced security at the front entrance.	✓	
Other	Admin Annex	Provide surge protection/phase protection on the main service.	✓	
Other	Admin Annex	Replace air cooled chiller.	✓	
Other	Admin Annex	Replace chilled water pumps.	✓	
Other	Admin Annex	Replace existing exterior waterproofing/sealant joints.	✓	
Other	Admin Annex	Replace existing exterior window per District standards.	✓	
Other	Admin Annex	Replace passenger elevator.	✓	
Other	Admin Annex	Replace switchgear.	✓	
Other	Admin Annex	Provide new marquee appropriately located near front entry.		✓
Other	Admin Annex	Repair existing broken and cracked exterior wall cladding.		✓

Detail by Locations Phase 1 & 2

Level	Location	Description	Phase 1 2018	Phase 2 2021
Other	Admin Annex	Replace concrete curb at numerous locations.		✓
Other	Admin Annex	Replace exterior lights with LED lighting.		✓
Other	Administration Building	Address flooring, furniture issues at commons kitchen area.	✓	
Other	Administration Building	Provide additional support for structural loading.	✓	
Other	Administration Building	Provide carbon monoxide (CO) monitoring system.	✓	
Other	Administration Building	Provide new way-finding site signage.	✓	
Other	Administration Building	Provide secure front entry vestibule and enhanced security at rear entrance.	✓	
Other	Administration Building	Provide surge protection/phase protection on the main service.	✓	
Other	Administration Building	Repair gypsum furr downs at skylights in commons area.	✓	
Other	Administration Building	Replace domestic water piping.	✓	
Other	Administration Building	Replace exhaust fans.	✓	
Other	Administration Building	Replace existing exterior waterproofing/sealant joints.	✓	
Other	Administration Building	Replace fire alarm system.	✓	
Other	Administration Building	Replace passenger elevators.	✓	
Other	Administration Building	Replace refrigerant monitoring system.	✓	
Other	Administration Building	Replace security system.	✓	
Other	Administration Building	Replace switchgear.	✓	
Other	Administration Building	Replaced chilled water pumps and provide variable frequency drives (VFDs).	✓	
Other	Administration Building	Service existing canopy on the east side of the building.	✓	
Other	Administration Building	Add exterior lighting near dumpster for staff security.		✓
Other	Administration Building	Add sidewalk drain, fill, and regrade. Replace sidewalk as required.		✓
Other	Administration Building	Provide new marquee appropriately located near front entry.		✓
Other	Administration Building	Replace exterior lights with LED lighting.		✓
Other	Aquatic Practice	Provide epoxy (marine type) coating for all metals.	✓	
Other	Aquatic Practice	Provide surge protection/phase protection on the main service.	✓	
Other	Aquatic Practice	Replace water heater.	✓	
Other	Aquatic Practice	Replace concrete sidewalk at numerous locations.		✓
Other	Central Warehouse Center	Add additional concrete piers to lift foundation per geotech engineer recommendation.	✓	
Other	Central Warehouse Center	Infill masonry wall cracks with epoxy sealants.	✓	
Other	Central Warehouse Center	Repair existing broken and cracked exterior wall cladding.	✓	
Other	Central Warehouse Center	Repair flooring/foundation.	✓	
Other	Central Warehouse Center	Replace chilled water pump.	✓	
Other	Central Warehouse Center	Replace condensing units.	✓	
Other	Central Warehouse Center	Replace exhaust fans.	✓	
Other	Central Warehouse Center	Replace existing exterior waterproofing/sealant joints.	✓	
Other	Central Warehouse Center	Replace existing exterior window per District standards.	✓	
Other	Central Warehouse Center	Replace existing gutter system per district standards.	✓	
Other	Central Warehouse Center	Replace passenger elevator.	✓	
Other	Design & Construction	Add additional restroom.	✓	
Other	Design & Construction	Provide direct digital controls (DDC).	✓	
Other	Design & Construction	Provide new variable frequency drives (VFD's) for "Warehouse" air handling unit. Replace unit motor with variable frequency drives (VFDs rated motor.	✓	
Other	Design & Construction	Provide surge protection/phase protection on the main service.	✓
