

COURSE SELECTION FAIR

ASL:

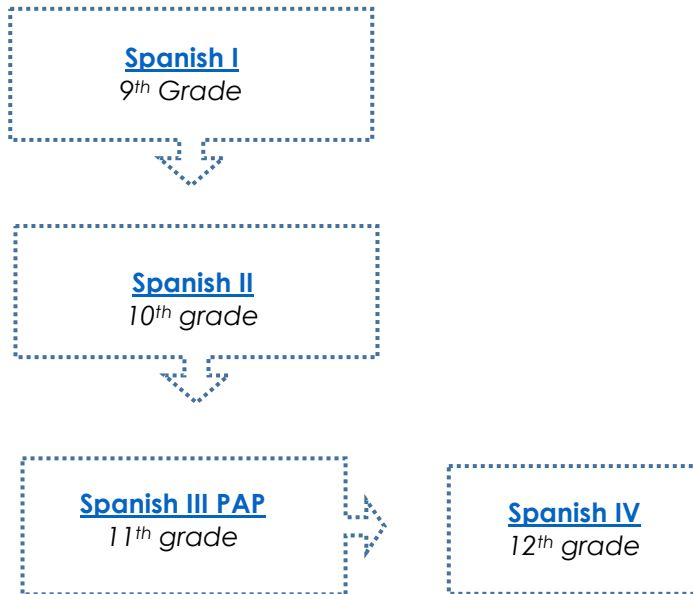

- RPHS offers levels 1 through 5 AP for [ASL](#) courses.
- [ASL Dual Credit](#) is also offered for specifically heritage and native speakers of Spanish.
- The [ASL Dual-Credit class](#) allows students to earn two credits in one year of study, replacing [level 1](#) and [level 2](#) and therefore satisfying the requirement for graduation. After successful completion, these students have several options: go on to [level 3](#), take [CBE](#) for level 3 / 4 regular, go to [level 4 AP](#), stop their language study, or switch to [French](#), [ASL](#) and start a new language.
- All students are required to take two years of foreign language to graduate under a regular graduation plan, but many colleges want to see three (3) years.
- At level 3, students may choose between [Spanish III](#) and [Spanish III Pre-AP](#).
- Students are eligible for induction into the [Spanish National Honor Society](#) while taking Spanish III Pre-AP, IV AP, or V AP if they meet the SHH [bylaws requirements](#).
- Spanish has two separate AP tests offered: [Spanish IV AP Language](#) and Culture and Spanish V AP Literature.
- Students who successfully completed [level 1](#) in middle school, should enroll in [level 2](#). Students coming from the [GT Academy](#) should enroll in [Spanish III](#) or [Spanish III Pre-AP](#).
- We also have a [Spanish Club](#) and [Paso a Paso Organization](#), open to all [RPHS students](#), regardless of whether or not they take Spanish.

All levels of both languages have the goal of using the target language 90%+ every day. This does NOT mean the teacher speaking or signing in [ASL](#), [Spanish](#) or [French](#) for 90% of the time, but that 90%+ of every class will revolve around hearing, reading, speaking, writing, viewing, signing in the target language.
Only through such consistent use can we reach our communicative goals.
