ANGELS DANCE TEAM

The Austin Angels are the AHS varsity dance team consisting of 9th-12th grade students who share a passion for dance. During the fall, we collaborate with the marching band by performing the visual component of the show. The team performs at pep rallies, football games, and marching competitions. In the spring, the team competes at regional competitions and closes the year by putting on a pre-professional spring show, Angelica. Angels are selected annually by audition. We encourage students who are interested in becoming a part of a hard-working, fun-loving, and reputable organization to attend the interest meeting.
