

Parents...please see below for new online advanced varsity football ticket sales! We will still sell tickets at lunch but this will make it easier for you! Attached are the step by step directions.

We are excited to offer online ticketing for **VARSITY FOOTBALL GAMES (Mercer/Hall)** again, but this time we feel it will be a more positive experience. For example, there are NO printers, scanners, or computers necessary. As you look over the attached information, you will see that your fans can purchase their tickets online and the tickets will be contained on their personal devices through the StateChamps App

With anything you buy online, there is a service fee. That will be explained when fans purchase the ticket.

However, starting Monday, September 11 through midnight Sunday September 17, if your fans use the promo code "statechamps" in the promo code box before they select their tickets, all fees will be waived.
