

March 4, 2020

Dear Sugar Land Middle School Parents/Guardians,

As we approach Spring Break, I am seeking your support in communicating appropriate behavior and safety reminders to our SLMS students, particularly regarding prohibited items on campus.

This morning, we conducted an administrative search of a student who was found to be in possession of a knife. The item was quickly confiscated and appropriate disciplinary action is being taken, consistent with the FBISD Student Code of Conduct. Please know that no threat of any kind was made toward any students, and at no time was anyone in danger.

I ask that you use this incident to remind your child not to bring prohibited items to school. Also, please encourage your child to report any situation that makes them feel unsafe or uncomfortable to a trusted adult, teacher, or campus administrator.

Also, I realize we are a few days away from Spring Break and students may be getting a little restless, but learning is still taking place, and students should act accordingly. Please remind your children to continue to conduct themselves with SLMS Titan pride as we progress to Spring Break and through the remainder of the school year.

It takes all of us working together to make SLMS a safe and enjoyable learning environment for everyone, which is the philosophy embedded in our campus mission:

Working collaboratively, the Sugar Land Middle School Professional Learning Community will commit to creating a safe environment with high expectations leading to physical, social, emotional, and academic success for all Titans.

I truly appreciate your continued support. If you have any questions, please contact me at (281) 634-3080.

Sincerely,

Keith Fickel, Principal
Sugar Land MS
