WILLOWRIDGE — A TRADITION OF EXCELLENCE SINCE 1979

GIRLS WHO CODE

WHO RUNS THE WORLD?

GWC core values of bravery, resilience, purpose, and creativity facilitate a team effort towards closing the gender gap in technology.

GWC members contribute to WHS by demonstrating Profile of a Graduate characteristics, servant leadership, and student ownership of learning through the goal of creating a culminating GWC Project App that enhances our campus.

BRAVERY

We believe being brave is about being resilient, persistent, and ambitious.

SISTERHOOD

We believe that diverse ability, culture, identity, and opinion makes our organization stronger.
