RPC Events

Father Daughter Dance

On February 6, 2026, the RPC volunteers helped host the Daddy Daughter Dance, creating a fun and memorable event for everyone who attended. The night was filled with exciting games, delicious food, music, and special moments shared between fathers and daughters. Thanks to the hard work and teamwork of the volunteers, the event ran smoothly and was a huge success.

Mother Son Camo Wars

The Mother Son Camo Wars event was filled with amazing and exciting activities that brought families together for a fun-filled experience. Participants enjoyed energetic games, friendly competition, music, and plenty of laughter throughout the event. Mother Son Camo Wars was a memorable and successful event for all involved.

NASA CIA Trip

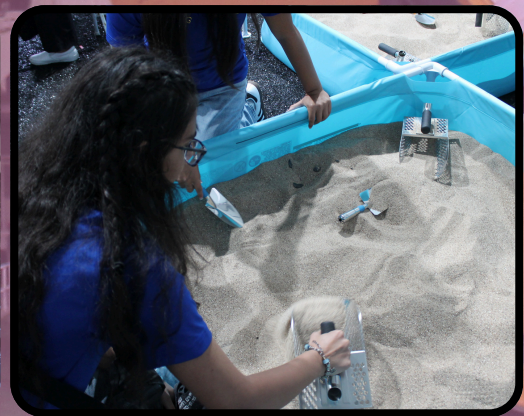

On March 11, 2026, the cadets attended their CIA trip at the Space Center Houston, where they had the opportunity to explore and learn more about space exploration, technology, and science. Throughout the trip, cadets experienced interactive exhibits and educational activities that helped expand their knowledge about NASA and the history of space travel. This trip provided an exciting and valuable learning experience while allowing cadets to discover more about the science and innovation behind space exploration.

Military Ball

At the end of the year, the ROTC program held its annual banquet, the **Military Ball**, to celebrate the accomplishments and dedication of the cadets throughout the school year. The event brought cadets together for an evening of recognition, celebration, and memorable moments. During the banquet, cadets were honored for their hard work, leadership, commitment, and achievements shown all year long. The Military Ball served as a special way to recognize the effort and dedication each cadet contributed to the program while creating lasting memories with their fellow classmates and instructors.
