

College Now English IV

Here is what you need to know about taking a dual enrollment English class with HCC at Clements High School

6 college credit hours!

You will receive credit for English 1301 and 1302 (which are Composition I and II in college) and English IV. This amounts to six college credit hours. The average cost per credit hour of college is \$636, so taking these courses would save you approximately \$3816.

10 point weight for GPA!
