From the Counselors and Your CCRA

Quick Updates

Requesting Transcripts and Rec. Letters

- We can appreciate the enthusiasm that the Class of 2026 has demonstrated towards the college application process so far... and we hope that enthusiasm remains!
- However, transcripts and rec letters cannot be officially requested in SchoolLinks until August.
- Most application platforms will not be available until July or August
 - **2025-2026 Common App launches on August 1, 2025**
 - **2025-2026 Apply Texas launches on July 1, 2025**
 - 2025-2026 Niche.com Direct Admission program launches in mid-June
 - 2025-2026 My Texas Future Direct Admission program launches in early June

What Can I Do Now?

- Decide which application platform you will want to use
 - Review their essay prompts (2025-2026 prompts available now!) and start crafting your responses
 - Prepare your resume and brag sheet so that they are ready to be sent to counselors and teachers in August
 - You *can* give teachers a heads up that you will request a letter from them in the Fall, but do not expect them to write it now. The best letters are written when teachers are rejuvenated from summer break! ;-)
 - Use the summer to visit some colleges, if possible
 - Take the SAT and/or ACT again if needed. It's *ideal* to have the score you are satisfied with when you start your college applications
 - Review requirements and priority dates for admission and financial aid for the school you plan to apply to. Keep a list of important dates!
