BHUCHAR ELEMENTARY

OCTOBER 2025

October is Bully Awareness and Prevention Month!

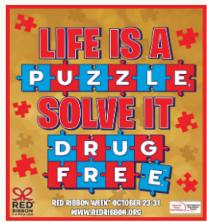

At Bhuchar Elementary, we believe every Bengal has the power to make a difference. This month during morning announcements, students will watch real-life stories about kids who faced challenges with friends and found positive ways to solve them.

Our teachers are creating strong, supportive classrooms where everyone's voice matters and kindness comes first. Students will also practice how to stand up for others, what to say or do if someone is being treated unfairly, and the steps to take if they need help from an adult.

Bullying hurts—but together, we are stronger than bullying. At Bhuchar, we take care of one another, we speak up for what's right, and we are proud to say: **We are Bully-Free Bengals!**
