Lending Library

As a part of the Lending Library program, we are pleased to inform you that your child can now have access to a digital device with a mobile hotspot to use at home during the school year. The purpose of the Lending Library device is for the student to have access to technology for schoolwork while away from school. The device will facilitate and enhance your child's engagement and interest in learning in the 21st century. We have it will serve as a tool to set your child on a path to reach a future beyond what he or she can imagine!

Please visit your campus library section of the campus website and review the Acceptable Use Guidelines with your student prior to signing the Lending Library forms.
