

Please review the following TIA updates:

- The minimum **Proficient** requirement for **TTESS Domains 2 and 3** has been removed. Per state requirements for designation eligibility, TIA-eligible teachers are still required to earn a **minimum average 3.5 summative score**.
- **TTESS Domains 1 and 4** do not have a minimum requirement.
- Optional TIA summer learning opportunities are available for teachers and leaders who would like to deepen their understanding of the TIA system. Course offerings include: **#TPD3930, #TPD3931, #TPD3932, and #TPD3814**.
- TIA designation, award eligibility, and stipend amount are impacted by movements between districts, schools, and positions. Please review the table below for additional information.
