Madden Husky Newsletter

March 19th-23rd

Hats off to Dr. Seuss...Welcome to Seussville!

17727 Abzermore Lane Richmond Texas 77407
(281) 327-2740

Madden Vision

We envision Madden Elementary to be a school where children and adults work productively towards the success for all students. We aspire to Create in each child a life-long desire to learn.

Madden Mission

The mission of Madden Elementary is to empower students to reach academic and personal goals in a positive, nurturing environment.

Fort Bend ISD Vision

FBISD continuously improves teaching and learning by developing effective staff and building scalable systems.

Fort Bend ISD Mission

FBISD exists to inspire and equip all students to pursue futures beyond what they can imagine.

What are our Madden Huskies
learning this week?

The week of
March 19th-23rd

Madden celebrates...Birthdays!

A note from the School Clinic

It is that time of the year again, Spring. South East Texas is always beautiful this time of year, except for the high tree & grass pollen count. Many children are having different symptoms of allergies and asthma. I have researched other local FBISD Elementary schools to determine what is the positive proactive plan of action that is done in relation to “allergies and recess.”

Many schools require a documented medical excuse note from a physician that specifies they must not be allowed in the outside air. If the physician’s note limits play, which is most of the time sufficient for allergy management, they will sit somewhere outside as designated by the grade level providing the supervision. Madden will follow a doctor’s recommendation note and we will take each student’s case by case. Playing outdoors at recess is counted as part of the time children must have by the state of Texas for daily physical activity.

As always please contact the clinic with any questions or concerns.

Sherri S. Gary, R.N.

Clinic: (281) 327-2748

Dear Husky parents,

Morning Drivers:

More people than usual are beginning to bend the rules because they were in a rush in the morning. Several cars are ignoring the crossing guard in the middle of the road, and just driving right through the crosswalks. While several other parents are having their kids jump out on the road on [Binion](#). THIS IS A SAFETY ISSUE as there is not any supervision to assist the students to safety areas.

I will be requesting FBISD police be on the lookout for parents not putting the safety of all huskies first! ["Hayward Hill"](#) is another road that drivers are just watching the flow of traffic and [not our students crossing the street](#).

[Please talk to your children](#) to be extremely careful when crossing the street especially if their is not a crossing guard. **We all need to work together to follow the safety procedure that have been put in place at Madden Elementary.**

Morning car rider line:

Please be mindful of the follow of traffic and please [don't merge into Abermore Lane as this is NOT an option](#). We are all adults and care greatly about our huskies and their safety!!!!

Thank you,
Madden Administration

Dear Parent:

Fort Bend Independent School District and Madden Elementary are sharing this information about the district and your child's campus with you as part of its obligations under the federal No Child Left Behind Act of 2001 (NCLB).

Federal Report Cards for the state, the district, and each of the district's campuses are now available on the district's website at this link: <https://www.fortbendisd.com> or are also available on the Texas Education Agency's website at: http://tea.texas.gov/About_TEA/Laws_and_Rules/NCLB_and_ESEA/NCLB-ESEA_Resources/Federal_Report_Card/.

Information on these report cards includes:

Part I: Percent Tested and Student Achievement by Proficiency Level – Provides the State of Texas Assessment of Academic Readiness (STAAR) performance results and participation for each subject area and grade level tested.

Participation reports also include reports of the participation of Children with Individualized Education Plans (IEPs) by assessment type.

Part II: Student Achievement and State Academic Annual Measurable Objectives (AMOs) – Provides the AMO outcomes and data table of STAAR performance results for each subject area tested in the accountability subset. This section also includes participation rates on STAAR for reading/English and mathematics, use of alternative assessments, plus four-year and five-year graduation rates.

Part III: Priority and Focus Schools – Priority schools are the lowest 5% of Title I served campuses based on performance in reading and mathematics and graduation rates. Focus schools are 10% of Title I served campuses, not already identified as priority schools, that have the widest gaps between student group performance and safeguard targets.

Part IV: Teacher Quality Data – Provides information on teacher quality in three parts.

Part A – Percent of Teachers by Highest Degree Held – Professional qualifications of all public elementary and secondary teachers in the Texas.

Part B and C – Teachers with Emergency/Provisional Credentials, Highly Qualified (HQ) Teachers Low Poverty/Low Poverty Summary Reports – Percentage of all public elementary and secondary school teachers teaching with emergency or provisional credentials, and the percentage of classes in the state not taught by highly qualified teachers disaggregated by high-poverty compared to low-poverty schools.

Part V: Graduates Enrolled in Texas Institution of Higher Education (IHE) – Provides the percentage of students who enroll and begin instruction at an institution of higher education in Texas during the school year (fall or spring semester) following high school graduation.

Part VI: Statewide National Assessment of Educational Progress (NAEP) Results – Provides most recent NAEP results for Texas showing reading and mathematics performance results and participation rates, disaggregated by student group.

If you have difficulty accessing the information from the website, hard copies of the reports are available at the district or campus office. If you have questions about the information, please contact our front office at 281-327-2740.

Sincerely,

Pamela Brown

Principal of Madden Elementary

APRIL 7, 2018

JR. ANGELS

DANCE CLINIC

Come dance with the Austin Angels Dance Team!

The Austin Angels will be hosting a junior dance clinic on April 7, 2018 from 8:30 am- 1:00 pm. Anyone PreK-8th grade is invited to attend this fun-filled day of dance for only \$25.00! Participants will conclude the day with a performance at 12:45 pm for friends and family. Jr. Angels will also have the opportunity to perform at our Angelica Spring Show on Friday, April 13, 2018. To register, please fill out the form on the back and return with payment by March 23, 2018. Cash or checks payable to AHS BBBC.

Boys and Girls are welcome!

Learn technique and a performance routine.

Receive class, snack, and a t-shirt.

Walk-ins are accepted.
