

Everyone plays, everyone wins

ABOUT FIRST COLONY LITTLE LEAGUE'S DREAM LEAGUE

The Dream League is a division of First Colony Little League (FCLL) for special needs children ages 5 and up. It was launched in the Spring of 2007 to allow boys and girls with physical and intellectual challenges the opportunity to enjoy the game of baseball in an environment structured to their abilities.

The Dream League is chartered as part of Little League International's Challenger Division. FCLL has been a premiere Little League baseball program in the United States for more than 30 years.

There are now two divisions: Dream League and the Senior Dream League. Players 5-14 can register only for Dream League. Players 15-18 may choose Dream League or Senior Dream League. Players 19 and older (**with no upper age limit**) may only choose the Senior Dream

League. While the Senior Dream League is intended for older players, it is also non-competitive just like Dream League.

EVERY CHILD DESERVES A CHANCE TO PLAY BASEBALL

WHAT TO EXPECT

An important part of the Dream League are our "Angels in the Outfield," some 150 middle and high school boys and girls who volunteer to assist, as needed, players at bat, on the bases and on the field and become a "buddy or angel" to them.

Score is not kept and each player gets a chance to bat and score each inning. Batters use batting tees or receive pitches from coaches. The Dream League players wear the same uniforms, and safety equipment as all other Little League players.

REGISTRATION

There is no cost to participate in the Dream League, thanks to our generous sponsors and donors.

Registration will be open Jan. 2-19, 2018 at

<https://fcll77479004.siplay.com/site/> or via our website fcdreamleague.com

The 2018 Season

The 2018 Dream League season coincides with the First Colony Little League Spring season with opening day February 24. We will have at least 10 teams in our Dream League and the Senior Dream League, each playing 6 to 8 games during the season. Games are Saturday mornings at the FCLL complex, 3232 Austin Parkway, Sugar Land.

HELP MAKE DREAMS COME TRUE!

We need Volunteers as Managers, Coaches, Team Parents, Angels in the Outfield, community relations and communications.

We have great opportunities for sponsors who make it possible for the League to cover all costs for operations so players pay nothing to participate. Get more information and register players at:

www.fcdreamleague.com
