

Accessing Cambium Practice Tests

Step 1: Go to this link: <https://www.texasassessment.gov/practice-tests.html>

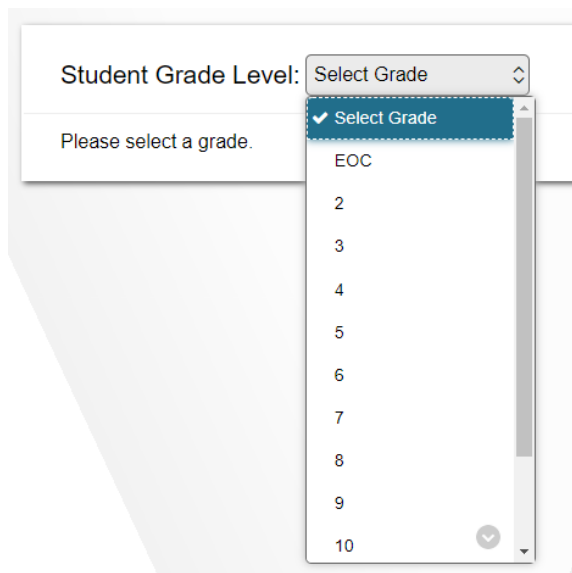

Step 2: Scroll down to “Online Practice Tests.”

Step 3: “Practice Test Site” will be in the bottom left corner. Select “Sign In.”

Step 4: Click the drop down menu and click on “EOC” to see all available tests. If you select a grade, it will show all tests for that applicable grade level, including TELPAS.

Step 5: Choose the type of test you would like to take. New STAAR question types are also available (as seen below).

“2022 STAAR Redesign Practice Tests” and **“STAAR New Item Types”** will be administered beginning Spring 2023.

“STAAR Released and Practice Tests” will be administered in December 2022 for the last time.

Student Grade Level:

2022 STAAR Redesign Practice Tests

STAAR New Item Types

STAAR Released and Practice Tests

Step 6: Find the specific course you would like to take the EOC for and select one of the available tests.
