

How to Access Your STAAR Results

1. Visit **Texasassessment.gov**
2. Enter your Unique Student **Access Code**, DOB, and Student's Legal First Name.
 - a. The access code can be found in **Family Access** or at the bottom of any score report.
 - b. In **Family Access**=>Online Forms=>Student Assessment Results--click on "Fill Out Form" and follow the directions on the screen (to find access code).
3. Click "**Sign On**" and a list of your STAAR/EOC tests will come up **by year**.
 - a. Student performance level will be listed in the middle column
 - Passing is "Approaches Grade Level," "Meets Grade Level," and "Masters Grade Level."
 - b. To find results from another year, use drop down at the top of screen.
 - c. Cumulative test results for all tests taken will be listed at the bottom of the screen.

 **Important Note:** In the upper right there is a "**Guide**" button with detailed guidance of where to find information on pages and what is included in each area/tab.

4. Click on the **title of the test** to find more information/details about your subject test(s).
 - a. It will show you what your scale score is and how it compares to the state, district, and campus.
 - b. It will show you your performance level using your Scale Score
 - c. It will also show you your Lexile score (reading level)
5. Click on "View Detailed Report" on the far right to find additional information
 - a. Possible Tabs Available: Overall, Category results, Test Questions, Responses (your answers), Progress, Lexile/Quantile Trend, and Resources (planning for college and career).
6. Click on "**Home**" in upper right to get back to the list of tests
