Welcome

Mr. Stewart

With over 20 years of teaching experience, I am passionate about creating meaningful learning experiences that support the academic and personal growth of every student. I hold a Bachelor's degree in Psychology from Prairie View A&M University and a Master's degree in Educational Leadership from the University of Houston–Clear Lake.

My teaching philosophy centers on building strong relationships, fostering a safe and inclusive environment, and encouraging students to take ownership of their learning. I believe that every child has unique strengths, and it is my goal to nurture those strengths through engaging instruction, high expectations, and continuous support.

Class Expectations & Procedures

Each day, students are expected to...

- Come to class with their supplies, including their laptop and charger.
- Begin their “Do Now” as soon as they enter the classroom.
- If they had any unfinished work, that was taken home to complete, it should be turned into the tray in the front of the room.
- If they were absent, they need to check Schoology for any work or notes that they missed. The files are listed by date.
- Once my lesson begins, all students are expected to be in their seats and paying attention. I teach my lessons each day using a variety of resources located in Schoology.
- Complete the Exit Ticket in Schoology or finished as homework if necessary.
