Junior Panther Basketball

Ridge Point basketball camp features a complete program that covers every fundamental and team concept that is practiced by the Ridge Point Panther Basketball Program. The camp staff is a collaboration of high school varsity basketball coaches, former high school and college players, and special guests who have spent many years studying the game of basketball. It is the intention of the camp staff to provide the local community with a camp that not only fuels future success for Ridge Point Basketball, but offers an opportunity for the local youth to continue to improve in various skills relating to the game of basketball and develop leadership skills that they may carry with them into their other endeavors. We look forward to seeing you at Ridge Point Boys Basketball Camp this summer.
