RONALD THORNTON Middle School
Cheerleading and Mascot Handbook Acknowledgement
2020-2021

We have a strict handbook from Fort Bend ISD regarding guidelines and rules for middle school cheerleaders and mascots. These guidelines keep our cheerleaders and mascots safe and keep everything fair for all team members in our school and in the district. RTMS cheerleaders and mascots are held to a high standard and are in the spotlight at all times because they represent our school. By signing this page, you are acknowledging that you have read and agree to all terms and rules in the handbook. You are agreeing to abide by all policies and rules during the entire time you represent RTMS on the team from tryouts and beyond.

I also agree to the financial responsibilities of being a part of the RTMS cheerleading and mascot team.
