Welcome Back!

We are quickly approaching the first day of school, August 15th, and we are proud to introduce our redesigned newsletter. We hope you find it user friendly and informative. This year we will continue our focus on building GRIT in our students. We will also be working hard to support the board goal of Student Ownership of Learning and Behavior while developing Effective Communicators and Collaborative Team Members.

First Day Expectations

A few reminders so that the first day flows smoothly:

- If students will normally ride the bus, please send them on the bus the first day so that they will know their route.
- Students only need a pen or pencil the first day. Teachers will let them know when to start bringing their supplies.
- As students arrive the first day, they will be directed where to go by grade level. They will check the roster on the wall for their first period teacher's name and sit in that designated line.
- Lastly, students are asked to bring a sack lunch the first few days, if possible. This helps the lunch lines move quickly while students are getting used to new procedures.

If you have concerns or questions, please contact your grade level administrator or counselor.
