There are three graduation plan options. Students develop and/or update graduation plans every year during the Course Selection process. The default graduation plan in FBISD is the Distinguished Level of Achievement (DLA). In order to be considered for the "Top Ten Percent Automatic Admission Program" in Texas state public institutions, students must graduate Distinguished. Students who choose to move to the Foundation Plan (22 credits) must wait until they complete their 10th grade year and have parent/guardian permission in writing. Students and parents are responsible for enrolling in, and monitoring the successful completion of courses required for graduation. Students must enter this four year course plan in Naviance in Family Connection (click *Course Tab →Manage My Course Plans→New Plan OR Your Current Plan* to edit an existing Course Plan).

NOTES:

The Course Selection List contains the high school courses offered in Fort Bend ISD. Some courses may not be available on all campuses in a face-to-face traditional format. Other formats, such as online learning, may be utilized. Final enrollment in courses will depend on teacher availability, campus facilities and overall student interest.

Please circle the courses that you would like to take next school year. You will write out the courses on the Course Selection Worksheet and enter in Skyward Family Access. You will also use this Course Selection List to complete or update your four year high school course plan in Naviance. Graduation requirements are outlined in this Course Selection List, in the Course Guide and in Naviance. Parents and students are responsible, in partnership with counselors, for taking the courses necessary to graduate so please utilize the above resources to carefully develop your four year Plan and to select your courses for next year.

FHSP + Endorsement (All students who entered high school in fall 2014 and thereafter, 9th-11th only) : Check one endorsement area.

See pages 17 - 28 in the 2016-2017 Course Selection Guide for more information about Endorsements and specific course pathways.
