OUTSTANDING MALE AND FEMALE STUDENTS

The focus for Ridge Point High School's Spring Awards is academics. We look for those who show a commitment to excellence. Each teacher was asked to submit one outstanding male and one outstanding female student. The criteria included an "A" average and no level two discipline infractions. At the teacher's discretion, other factors taken into consideration were the student's work ethic, integrity, respect for teachers, staff and administrators, and their embodiment of the Ridge Point Way.
