ALWAYS READ THE FINE PRINT

Important

*Successful AAC/AP students are task-oriented, proficient readers who are able to prioritize their time. Students and their parents should carefully consider the time outside of school and the dedication required for success in AAC/AP courses. Each AAC/AP course requires several hours of individual study time per week. Once the Fall semester begins, students must stay in AAC/AP courses for at **least three weeks** before being **considered** for a level change. See Course Selection Guide for more information.

Please carefully consider all choices made at this time. The master schedule is developed each school year based on your top seven choices. Alternates will be used and/or granted if your top seven classes are not possible. Over the summer, teachers are hired, books are ordered, and the master schedule is set based on the choices on this sheet.

Note: There are specifications to level down from upper level courses that you must meet. You must also attain the signatures of your teacher and your AP. Without these, level downs can not be granted.

COURSE SELECTION FORM - ALTERNATES

	Course #	Course Title
Alternate 1	PE311	PE
Alternate 2	FA013	Art
Alternate 3	SC122	Aquatic Science
Alternate 4		

In order of preference, list *at least* three alternative courses. Alternatives are highly suggested in World Languages, Fine Arts, and 3rd/4th Science courses.
IF YOU DO NOT SELECT ALTERNATES, YOUR COUNSELOR WILL SELECT FOR YOU BASED ON COURSE AVAILABILITY AND YOUR GRADUATION REQUIREMENTS.

COURSE SELECTION – SKYWARD

Log into Skyward. If you have not done so, select an Endorsement plan.

The screenshot shows the 'Endorsements' page in Skyward. On the left, a sidebar lists various student information categories. The 'Endorsements' button is highlighted with a red box. The main content area is divided into two sections: 'Declared' and 'Achieved'. Each section has an 'Endorsement' dropdown menu and an 'Option' dropdown menu. Below the dropdowns is a 'Declare an Endorsement' button, which is also highlighted with a red box.

Select Endorsement and endorsement option from the drop-down menus.

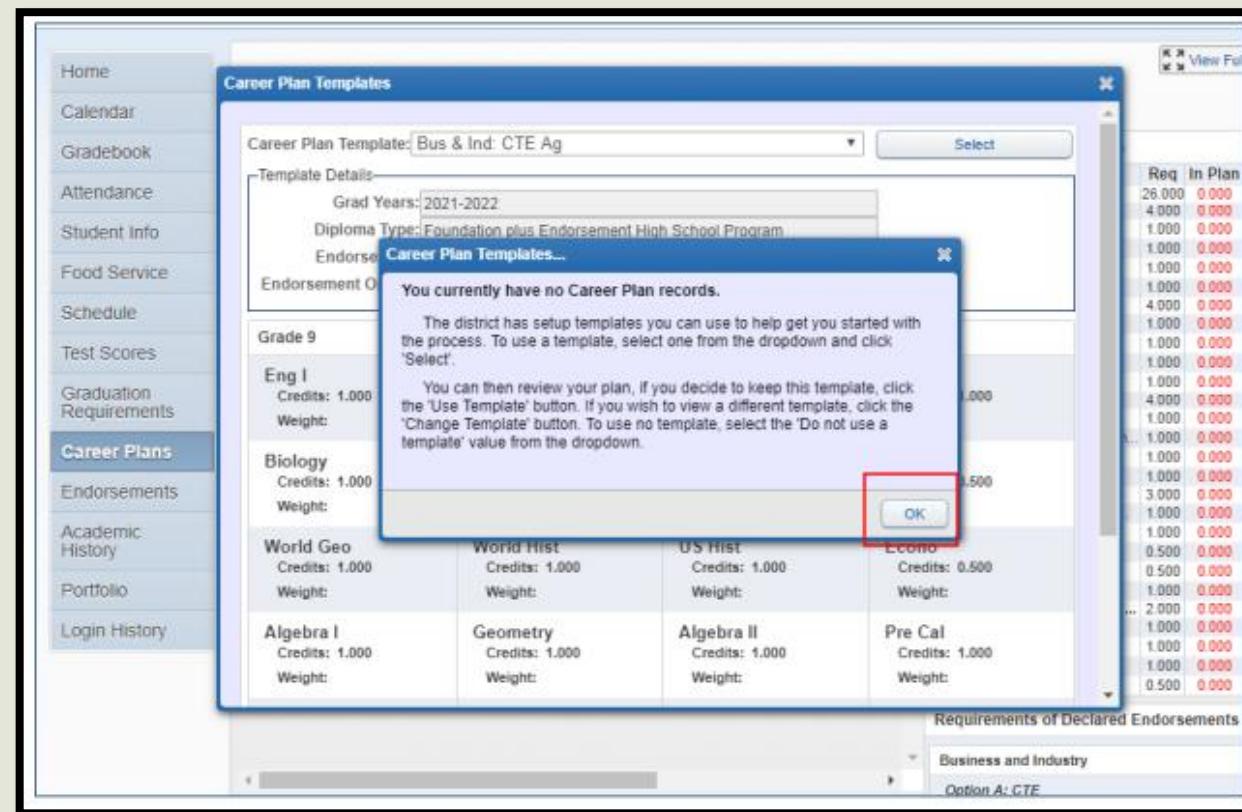

The screenshot shows a 'Declare Endorsement' dialog box. At the top, it says 'Endorsements' and has 'Declared' and 'Achieved' tabs. The 'Declared' tab is selected. The dialog box contains a 'Signature Required' section with a detailed text about the Federal Electronic Signatures in Global and National Commerce Act. It includes two checkboxes: 'I Agree' and 'I understand and agree that my electronic signature is the equivalent of a manual signature and that others may rely on it as such in connection with any and all agreements I may enter into, including but not limited to this Electronic Signature Agreement.' At the bottom, there are fields for 'Signed By:' and 'Date Signed:', and a 'Save' button.

Review and click "I Agree" to electronically sign your endorsement selection

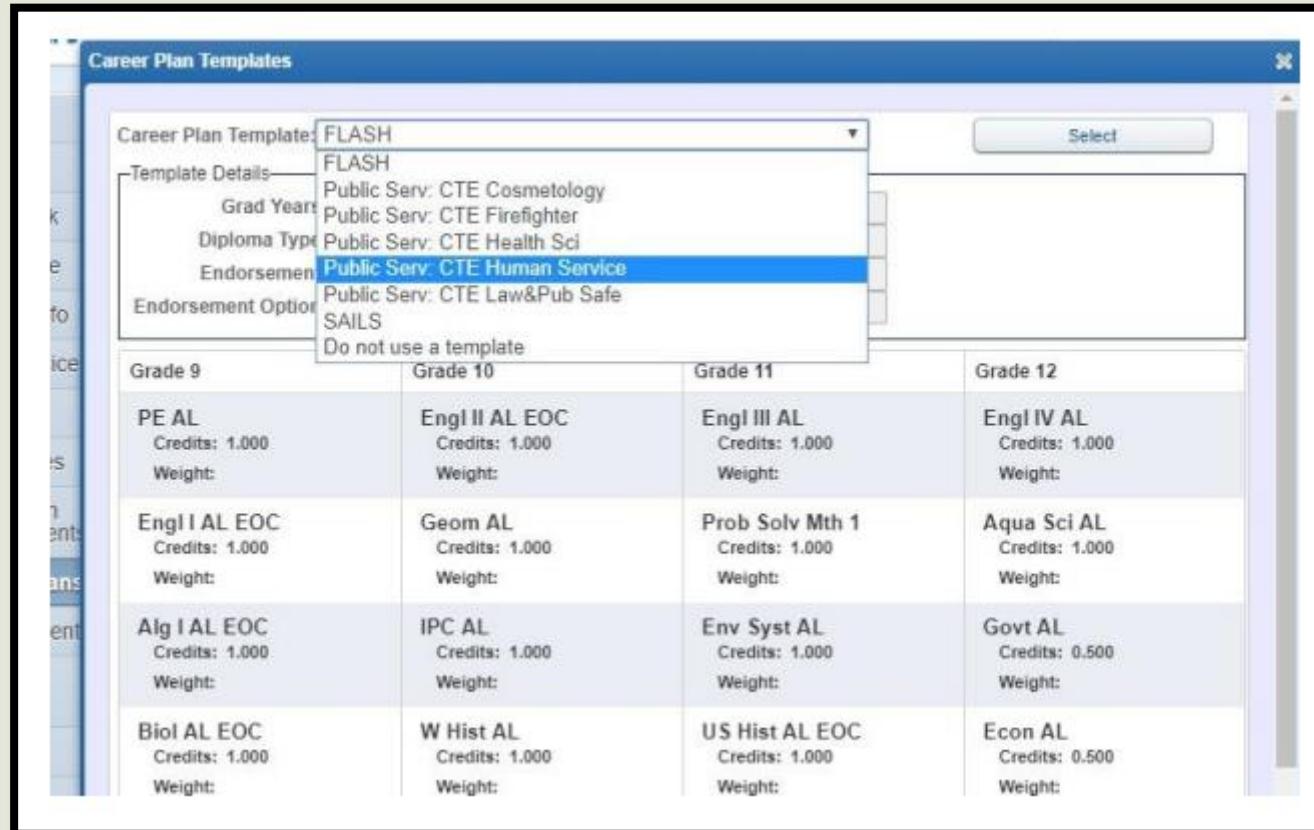

COURSE SELECTION – SKYWARD

After signing, a pop-up will appear letting you know that templates have been created to help build the 4-year plan. Click “OK”.

COURSE SELECTION – SKYWARD

All templates are directly tied to endorsements and endorsement options. Choose your pathway option from the drop-down menu.

COURSE SELECTION – SKYWARD

Once the template is selected, courses will automatically populate. Select “use template” on the right to keep the current template selected or “change template” to change to a different one.

The screenshot shows the Skyward Course Selection interface. On the left, a sidebar menu includes: Home, Calendar, Gradebook, Attendance, Student Info, Food Service, Schedule, Test Scores, Graduation Requirements, and Career Plans (which is selected). The main area displays a "Career Plan for" section with "Student Signature is Required (Sign)" and "Guardian Signature is Required". Below this, a grid shows courses for Prior to Grade 09, Grade 09, and Grade 10. The Grade 09 section shows courses like Algebra I, Chemistry I, Biology, English I, and World Geography. The Grade 10 section shows courses like Chemistry II, English II, Geometry, Lifetime Nutrition, and World History. To the right, a "Graduation Requirements" table lists various subjects with their credits, weights, and requirements. The "Requirements of Declared Endorsements" section is also visible at the bottom.

Core courses for English, Math, Science, and Social Studies, along with the courses required for the selected endorsement option are automatically populated. All core courses in the template are “on-level”. You may edit your courses if you wish to take AAC or AP courses. You may also change the grade level a course is taken.

The pencil icon on the top right-hand corner of each course indicates the course may be edited.

The courses you enter for 11th grade will become your course requests.

The screenshot displays the Skyward course selection interface. At the top, a grid shows a 4-year plan for grades 9 through 12, with columns for Add Curriculum and Add Grade Level. Below this, a detailed list of courses is shown for each grade, including Algebra I, Chem I, Algebra II, Eng IV, Eng III, Eng II, Eng I, Geometry, Human Growth & Devt, Lifetime Nutritio..., Physics I, World Geo, World Hist, US Hist, and US Govt. Each course entry includes credits, weight, and a pencil icon for editing. A red box highlights the 'Edit Grade Level' and 'Remove Curriculum' buttons for Algebra I. To the right, a 'Graduation Requirements' table lists various areas and their requirements, with a red box highlighting 'Req' and 'In Plan' columns. At the bottom, a 'Requirements of Declared Endorsements' section lists Public Services, Option A: CTE, and Career and Technical Education.
