<b>Important</b>				
<p>*Successful Pre-AP/AP students are task-oriented, proficient readers who are able to prioritize their time. Students and their parents should carefully consider the time outside of school and the dedication required for success in Pre-AP/AP courses. Each Pre-AP/AP course requires several hours of individual study time per week. Once the Fall semester begins, students must stay in Pre-AP/AP courses for at least three weeks before being considered for a level change. See Course Selection Guide for more information. <b>*If you do not select either Pre-AP or AP you will be automatically defaulted to on level courses</b></p>				

Please carefully consider all choices made at this time. The master schedule is developed each school year based on your top seven choices. Alternates will be used and/or granted if your top seven classes are not possible. Over the summer, teachers are hired, books are ordered, and the master schedule is set based on the choices on this sheet.

### ALTERNATE COURSES

In order of preference, please list at least **three** alternate courses. Alternates are highly suggested for *World Language, Fine Arts, and 3<sup>rd</sup>/4<sup>th</sup> Science* (where applicable). **If you do not list alternates, your counselor will select for you based on course availability and your graduation requirements.**
