

Guess what?! Our school is hosting an **ONLINE Book Fair!**

Mark your calendars and get ready for Book Fair fun!

Once our book fair is live, visit www.athomebookfairs.com, click Find Your Book Fair and search by our ZIP code:

▶ **Shop outstanding, hand-selected books**

This year, we've partnered with Junior Library Guild for our Book Fair. Only the top 3% of all children's and young adult books are selected for JLG's collection—so you KNOW these books will ROCK.

▶ **Get direct-to-home delivery**

Every purchase you make will be delivered directly to your door! And, if you purchase books from a teacher's Wish List, they will be shipped directly to their classroom. Easy and hassle-free!

▶ **Shop with confidence**

No more "judging a book by its cover." Lots of details are available on every book in our fair, from synopsis and reading level, to genre, reviews/awards, and potentially sensitive content areas.

Our school is so excited to help you build your home library while supporting ours!

The best of our school library, now available at home.
