

Back by popular demand.....The Zone

Need help with your homework, or just a quiet place to work? Maybe you need to get with a partner on a class project? The Zone is for you!

Please join your fellow Vikings every **Tuesday** and **Thursday**
from 4:10 - 5:10

There will be four core academic DMS teachers along with Dulles HS National Honor Society students on hand to offer tutorials!

✓ The Zone will meet in the library directly after the 4:10 dismissal.

✓ You will need a note, or text message, from a parent **each time** you stay after school. If you are riding the Academic Bus your note or text **MUST** contain your after-school bus route (#1 or #2) and your after-school bus stop.

✓ Transportation is provided on the Academic Bus if you live in the DMS attendance zone. Car riders **MUST** be picked up no later than 5:15 PM. Again, if you are riding the Academic Bus please make sure students know which route they will ride and what is their after school bus stop.

✓ The Zone will start on **Tuesday September 13, 2022**
